GOV'T GIVES WELCOME TO U.S. SENATORS

Friendship and Assurances of Co-operation Are Expressed at Banquet

CONGRESSIONAL PARTY STUDYING SALES TAX

OTTAWA, Nov. 17 (CP).—Canada officially welcomed the United States congressional party staying the Dominion sales tax system at a banquet tendered here tonight by the Canadian Government.

From Rt. Hon. Sir George Perley, Acting Prime Minister, and Hon. E. B. Ryckman, Minister of National Revenue, who is actively assisting the American party in its inquiry, came the warmest words of greeting, friendship and assurances of co-operation. And by Hon. T. P. Gore, Senator from Oklahoma, afflicted with blindness nearly half a century ago, words of appreciation and international good will were expressed.

HAVE WIDE INFLUENCE
"We in Canada are here as interpreters between Great Britain and the United States," Sir George Perley declared. "No duty could be more pleasant or more important than a task of interpretation. I believe that with the British Empire and the United States holding together we can accomplish anything we like for peace and happiness in this world."

A strong belief in the Canadian sales tax system was indicated by Mr. Ryckman. "The nation that has a deficit, unprovided for is not a nation that can hold up its head among the nations of the world," the Minister of National Revenue declared.

NEIGHBORS BY DESTINY
"Destiny has established Canada and the United States as neighbors," Senator Gore stated. "We are destined to be and remain neighbors for ever and a day. We are destined to be neighbors as long as the grass grows and as long as the water flows. We would not break that golden chain or break that bond of friendship."

The dinner tendered by the Government tonight was an interesting day of the stay in the capital of the congressional party who are visiting Canada under the auspices of William Randolph Hearst, publisher.

United Australian Party Will Oppose Labor at Elections

SYDNEY, N.S.W., Nov. 17 (CP).—Runners were current here today that Premier J. T. Lang would soon leave state politics to enter the Commonwealth Parliament.

The National party and the All-for-Australia League today decided to sink their separate identities and form a united Australian party to oppose the Labor forces at the next election.

Indian Round Table Meeting Extended For Another Week

Mahatma Gandhi Delays Departure and Will Await Conclusion of Conference—Is Heartened by Talk With Prime Minister MacDonald

LONDON, Nov. 17 (CP).—Heartened by a talk with Prime Minister MacDonald, Mahatma Gandhi today reconsidered his decision to depart for India Thursday and agreed to remain until the conclusion of the Round Table Conference. Lord Sankey, chairman of the conference, decided to prolong the session another week.

SIKH PRIEST TO GIVE EVIDENCE

Rev. Chet Singh Arrives in Vancouver for Trial of Fellow Countrymen

VANCOUVER, Nov. 17.—Rev. Chet Singh, East Indian priest, poet and musician, has arrived in Vancouver after a journey across the Pacific to give evidence at the trial of Sham Kour and S. Singh Dial, who are charged with conspiring to murder Sham Kour's husband, who died some months ago at sea.

The visitor, who is priest of the Sikh Temple at Hongkong, was sought as a witness in the case and responded to the police call made on him. He is a Bachelor of Divinity of the University of Punjab, and is a poet of note in the Punjabi language.

This is the first occasion in the courts of Canada in which a Sikh priest has been brought from such a distance to aid the authorities in the solution of the mystery surrounding an Oriental case.

BACKS IMPERIAL PARLEY

LONDON, Nov. 17 (CP).—Advocating no delay in the convocation of the Imperial Economic Conference in Ottawa, Lord Ellbank, in the House of Lords next week will move a resolution congratulating the National Government on its decision to participate.

British Pilot Sets Record

CHARLES Butler, British pilot, who recently set out in the smallest plane in the world in an attempt to set a new record for the flight from England to Australia, has just completed the flight and set up a new time of nine days, one hour and thirty-two minutes. Here he is standing beside his plane and (inset) taking off from Heston aerodrome, Middlesex, on the first lap of the record-breaking flight. He wore carpet slippers during the long journey and carried a tomahawk for protection in case he was forced down among savages.

Canadian Goods Exempted From Dumping Duties

Measure Being Rushed Through British House—May Receive Royal Assent Friday—Hasty Action Taken to Halt Rapidly Increasing Volume of Foreign Imports

LONDON, Nov. 17 (CP).—Canadian goods will not be taxed under the National Government's antidumping legislation. This was made clear in the House of Commons tonight when the resolution, conferring sweeping powers upon the President of the Board of Trade, passed through both stages. It is expected the bill will be rushed through with a like disregard for long-established precedents and receive royal assent Friday.

General Smuts to Be St. Andrew's Rector

ST. ANDREWS, Scotland, Nov. 17 (CP).—General Jan Christian Smuts, South African statesman and scientist, today was elected Rector of St. Andrew's University by a majority of 180 votes over Lord Inchcape, British industrialist.

The resolution would grant to the president of the Board of Trade power to impose a maximum duty of 100 per cent on a long list of products. But L. Hore-Belisha, parliamentary secretary for the Board of Trade, explained no Canadian or other Dominion products would be affected.

ASSURANCE FOR DOMINIONS
"The Dominions are to have a preference," he asserted amid cheers, "and it is to be one of 100 per cent."

There would be no cause for complaint concerning the treatment of Dominion products, said the parliamentary secretary.

Later in the day, Charles Williams, Conservative, introduced an amendment which would provide that duties against British Empire products would not exceed the thirds of the rate imposed on similar foreign products. This would represent, he explained, a preference of one-third for the Dominion.

ADMIT DECREES STOPPED TRADE

Serbs Are Forced to Halt All Exchange Deals With Austria

By JOHN GUNTHER
(Copyright, 1931, by The Chicago Daily News Foreign Service)

VIENNA, Nov. 17.—First official admission that the result of the new finance decrees of Central Europe has been the complete stoppage of trade is contained in an announcement from Belgrade today that all exchange operations between Yugoslavia and both Austria and Hungary are henceforth forbidden. The announcement, issued by the Yugoslav National Bank, throws the blame on the Austrian and Hungarian regulations.

The news has alarmed finance circles. It means that businessmen, bankers and merchants will be unable to do business, since no cash or credit can be transferred. Austria must count on the loss of 150,000,000 schillings (\$21,500,000) in exports to Yugoslavia, and Yugoslavia loses a sum only slightly less.

The price of Yugoslav postage stamps, it is reported, will be raised in an effort to increase revenue.

POTENTIAL BURGLAR GIVEN FOUR YEARS

VANCOUVER, Nov. 17.—Pleading guilty to charges of having burglarized tools and explosives in his possession, Frank Sarge, alias Gilbert Davis, was sentenced to serve four years in the penitentiary by Judge Cayley, in County Court, this afternoon.

"It is safer for you to be in jail," Judge Cayley told Sarge when he passed sentence.

BILL CAUSES U.S. SERIOUS UNEASINESS

Reduction of Exports to Britain by Many Millions Is Feared

UNITED KINGDOM IS NOW BEST CUSTOMER

WASHINGTON, Nov. 17 (CP).—Tariff, both foreign and domestic, occupied the attention of Washington today. Additional officials took a serious view of the proposal before the British Parliament to permit the Board of Trade to levy duties upon certain classes of imported goods. It was announced, Henry P. Fletcher, chairman of the United States tariff commission, had resigned. His resignation had been anticipated for some time.

While it is roughly figured the British measure, if it were used to the full, would affect exports from the United States valued at between \$50,000,000 and \$75,000,000, experts pointed out it was not yet established the intention of the National Government was to make it the basis of a tariff. It was more generally believed in expert circles the measure would be adopted as a means of protecting the home market against influx of goods in anticipation of the tariff. However, they did not attempt to minimize the threat to United States commerce, characterizing it as "very serious."

BLAME U.S. TARIFF ACT
Senator Cordell Hull, Democratic leader, and Representative David J. Lewis, Democrat, saw the British action as a direct result of the passage of the Smoot-Hawley Tariff Act. Senator Reed Smoot, co-author of the act, preferred not to comment.

While Senator Smoot in an article in the November issue of Current History contends that increases in foreign tariffs are not to be laid to the account of higher duties in the United States, the Foreign Policy Association some time ago put out a report asserting that retaliatory measures had been taken by eleven countries. Since that time there have been numerous additions to the list of countries which increased their tariffs.

WILL LESSEN EXPORTS
The general depression, and to some extent, these tariffs, have decreased the export trade of the United States for the ten months ending October 31 this year, against the same period last year as \$2,046,731,000 compared to \$3,279,346,000. The figures were issued by the Department of Commerce today.

The British move, however, mild the application of the proposed measure may be, will further diminish the export trade of the United States. Some months ago the United Kingdom displaced Canada as the best customer of this country, and this despite a fall in the value of the dollar in currency and an increase in the value of the pound. Some months ago the United Kingdom displaced Canada as the best customer of this country, and this despite a fall in the value of the dollar in currency and an increase in the value of the pound.

COUGAR BOUNTY TO BE REDUCED

Material Saving Will Be Effected on Predatory Animal Awards

Reduction in bounties paid on predatory animals by the Province, announced yesterday by the balance of the current fiscal year, was announced yesterday at the Legislative Buildings, and will shortly go into effect. After a conference of the ministers affected, the decision was reached to cut cougar bounties from \$30 to \$20. Coyote bounties lapsed automatically at October 31, with sixty days then remaining in which applications may be received.

Current estimates carried \$37,500 for game bounties which come under the Department of Agriculture in the appropriations, but which are administered under the Game Board. Several of the bounties were reduced at the last session of the Legislature, with \$5 set for timber wolves, and 10 cents each for magpies included in the approved list, in addition to those mentioned.

The coyote bounty was provided to meet a special condition where these animals had been found to be multiplying faster than their numbers could be kept down, and the \$5 bounty under this head was to run out at the end of October in any event. The bounty on timber wolves applies throughout the year.

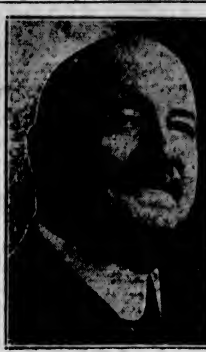

After discussion yesterday before Hon. J. W. Jones, Hon. R. H. Pooley and Hon. William Atkinson, action was taken to reduce the existing scale of awards paid for cougars from \$30 to \$20, it was announced.

Eight Thousand Go Back to Their Jobs in C.P.R. Shops

VANCOUVER, Nov. 17.—Wheels of Vancouver industry made another turn in the direction of normal activity today when 228 went back to work in the Canadian Pacific Railway shops on Drake Street after a shutdown since September 18.

Vancouver shops of the company are only part of a string across Canada which have taken back 8,000 employees. Four thousand men went back to work when the whistle blew at the Angus Shops, Canadian Pacific Railway Building and Repair Works, at Montreal today. The shops had been closed since late in September.

Passed Sentence on Communists

JUDGE W. H. WRIGHT who sentenced seven members of the Communist party to five years in the penitentiary and an eighth to a two-year term, was on duty at the Fall Assizes at Toronto.

BOND APPEAL IS TWOFOLD

Federal Issue to Offer Attractive Yield—Affects National Prosperity

MONTREAL, Nov. 17.—The definite intimation from Ottawa by Hon. E. N. Rhodes, Acting Minister of Finance, that Canada's National Service Loan will be offered to the public on November 23, has been the most interesting news in investment banking circles in recent months. The details of the issue, the amount (\$150,000,000), and the maturities (five and ten years), had been eagerly awaited for some days. It is generally recognized that the requirements of individual as well as institutional investors have been considered, particularly in the announcement of \$100 certificates in the five-year series.

ATTRACTIVE RATE
While there has been nothing definite said in regard to the price at which the bonds will be offered, it can be accepted that the coupons will be at 5 per cent and that the return to the investor will be somewhat better than this attractive rate.

This National Service Loan, of which the Dominion's needs will be financed, has a twofold appeal to investors. It offers an attractive yield with the highest possible security, and it is designed to play its part in national progress. Because of unsettled conditions of world finance, there is practically no opportunity to offer even national securities to advantage in outside markets.

IS NATIONAL DUTY
Canada must, therefore, for the present, do her financing very largely at home, and the proposed issue not only offers an opportunity for the investment of accumulating funds, including savings of the public, but will appeal to all those who believe that the financing of the Dominion Government's requirements is a national duty.

Firemen Save Three Women From Inferno

WINNIPEG, Nov. 17.—Firemen saved three women from almost certain death today when they were trapped in a burning apartment building. Cut off from all avenues of escape by flames raging in the corridors the women were taken out by the firemen after the building was surrounded by the third floor of the building.

The blaze followed two explosions in a drug store on the ground floor of the building early today. Most of the occupants of apartments on the upper floors were sleeping at the time.

The building, a small frame structure known as the Ripstein Block, was almost a total loss. Most of the occupants had to leave their belongings behind as they fled from the flames.

UNEMPLOYED TOTAL DROPPING STEADILY

LONDON, Nov. 17 (AP).—Great Britain's unemployed on November 9 totaled 2,683,924, a drop of 27,020 from the previous week, and a decrease for the sixth consecutive week. The total was 422,147 more than at the same time a year ago.

It was explained, however, that the decrease in the number of registered unemployed in the past two weeks is due largely to removal from the registers of a certain proportion of those whose claims to the dole have been disallowed under the new economy programme.

FIERCE FIGHTING RENEWED IN MANCHURIAN QUARREL

Trade Agreement With New Zealand Will Be Discussed

OTTAWA, Nov. 17 (CP).—An official announcement will likely be made within the next day or two that Hon. H. H. Stevens, Minister of Trade and Commerce, will go to Honolulu to meet a representative of the New Zealand Government to discuss trade relations between the two countries. Reports are that the conference to discuss matters of a new trade agreement may take place in Honolulu next month.

New Duty May Help B.C. Trade

British Columbia lumber interests are watching the proceedings in the British House with intense interest. The dumping duties are to be applied to Class 3 imports, and included among the items in this category are "manufactures of lumber" and "timber."

Announcement that Canadian products will enter United Kingdom free presents the possibility for an increase in the shipment of lumber from British Columbia mills. As it is generally recognized that the dumping duties legislation now being hurried through the House of Commons is a temporary measure to bridge the gap until the imposition of regular duties, efforts will be directed towards securing for the British Columbia trade an early share of the business.

F. P. Burden, Agent-General for British Columbia in London, is watching the changing conditions there and is advising the Government on the possibilities offered, particularly in connection with lumber.

PRINCE GEORGE MAIL ROBBED

Thirty Packets of Registered Letters Taken on Monday Night

Robbery of the postoffice at Prince George, involving the known theft of \$200 in currency and the loss of twenty-nine additional packets of registered mail, was reported to headquarters of the Provincial Police yesterday over police wireless from Inspector W. E. Spiller, of the northern post. The theft was effected Monday night, and comprised removal of thirty packets of registered mail, the full value of which is at present unknown here.

In one packet is known to have been fifty Bank of Montreal bills, each of \$5 denomination, and bearing serial numbers from A-3834051 to A-3834100. These numbers have been flashed by the police far and wide and any attempt to cash in on the haul will be watched. Word of the robbery was wireless to the headquarters yesterday and an investigation is proceeding at the scene.

Meanwhile, the Alberta Provincial Police and municipal forces over a wide area have been notified of the loss of the currency.

URGENT FORMATION OF CENTRAL BANK

United Farmers of Manitoba, Meeting at Brandon, Face Multitude of Motions

BRANDON, Nov. 17.—Formation of a central bank in Canada was unanimously supported today by United Farmers of Manitoba. At the outset of the annual three-day convention, delegates approved the report of the farm body's banking committee, which suggested that a central bank would aid in preventing cycles of depression and inflation.

Inclusion in the Canadian Bank Act of a \$5,000 penalty for any violation of the 7 per cent maximum legal insurance rate was asked by the convention. The meeting rejected a resolution protesting against banks insisting on chattel mortgage security for current loans.

FOUR SCORE RESOLUTIONS
Less than a dozen four-score resolutions on the agenda were disposed of. The convention favored cancellation of war debts and reduction of Western mileage freight rates to compare with those in the East. Abolition of duties on farm implements and wire fencing was favored and the meeting asked cancellation of the 2 1/2-cent import duty on gasoline be abolished unless it can be assured that costs to the consumer will not be raised.

IS ELECTED BISHOP

LONDON, Ont., Nov. 17 (CP).—Dean Carlton, Montreal, was elected Bishop of Huron on the second ballot by delegates of the Anglican Church of Canada here tonight.

Official Chinese Advices Claim Rout of Japanese Forces by General Mah With 800 Killed—Press Dispatch Reports Japanese Driving Opposing Forces Farther North

Nanking Repudiates Any Rule by the Boy-Emperor

(Associated Press)
FIERCE fighting was renewed north of Tamsing today between the Manchurian army of General Mah Chan-Shan and Japanese troops of General Jiro Tamon, Tokio learned. Chinese claimed decisive victory in the Nonni River area, with 800 Japanese killed and 200 captured, but Harbin dispatches said Japanese instead had pushed back General Mah's force. Japanese air raids near Tsitsihar damaged the Chinese Eastern Railway and buildings at Fularki, Shanghai heard.

COMPROMISE NOT AT HAND

League's Search for Means to Bring Peace in Manchuria Confused

PARIS, Nov. 17 (AP).—A new issue was thrust today into the Manchurian peace negotiations. This issue was the possible effect on agitation to change the Treaty of Versailles in the event the League of Nations Council fails to uphold Japan's demand that China recognize the sanctity of all compacts existing between the Tokio and Nanking Governments.

Along with this new issue came two other factors that confused the search for the elusive compromise that might bring peace to Manchuria. There were indications the United States was relaxing its firm stand for Japanese evacuation of the disputed area, and there were rumblings from Russia.

SOVIETS PROTEST
News that Maxim Litvinoff, Soviet Commissar for Foreign Affairs, had protested to Tokio regarding Japanese army activity in the region of the Chinese Eastern Railway, the Russian sphere of influence in Manchuria—led to the belief that Russia would not remain aloof in case the League failed to stop the Japanese advance.

The recognition of existing treaties is one of the five conditions laid down by Tokio for evacuation of Manchuria. At a private meeting of twelve of the council members—the Chinese and Japanese representatives did not attend—it was decided to ask Japan to define exactly what it means by the validity of treaties existing between the two Governments.

The council will ask whether this point in the Japanese demands has any connection with the security of Manchuria.

WILL SUBSCRIBE Three Millions To Service Loan
WINNIPEG, Nov. 17 (CP).—Three million dollars will be subscribed to the forthcoming Dominion of Canada National Service loan by the Great-West Life Assurance Company, it was announced today. This decision was made at a meeting of the board of directors yesterday.

Armament Will Be Leading Subject in Hoover-Grandi Talk

Italian Foreign Minister Says Now Is Time to Carry World Movement to Practical Result—Hopes for Accord With France

WASHINGTON, Nov. 17.—Armament tonight assumed a place of predominant importance in President Hoover's conversation with Foreign Minister Grandi of Italy. The two statesmen will confer at the White House tomorrow for the first of a series of talks in which they will seek to determine how their nations can best co-operate for the improvement of world conditions.

Choosing his own words, the Foreign Minister today described the present as "high time" to carry the world disarmament movement to a "practical result." He made this statement at a conference with newspapermen in the middle of a day devoted to diplomatic formalities and private talks with United States officials.

MOST IMPORTANT QUESTION
His answers to questions about disarmament were unhesitating. Speaking in fluent English, he said: "I think the question of disarmament is the most important existing in the relations between countries. It is high time for everybody to seek a practical result."

He said his visit was directed toward peaceful co-operation among the nations with a view to their economic recovery and general welfare.

HOPES FOR ACCORD
Asked specifically about the possibility of a Franco-Italian naval settlement, Grandi said he was hopeful for such an accord.

"Italy feels such an agreement would be good. It would be welcomed by everybody in Italy. I have worked for it and I hope for a practical result," he said.

In commenting on his hopes for general disarmament, the minister remarked that it was a desire for such a result that prompted his proposal at Geneva for one year's armament holiday.

NO EARLY RETURN TO GOLD BASIS

Rt. Hon. Neville Chamberlain Explains Financial Policy of National Government

LONDON, Nov. 17 (AP).—Great Britain does not contemplate an early return to the gold standard, it was indicated in the House of Commons today by Rt. Hon. Neville Chamberlain, Chancellor of the Exchequer.

In answer to a question, he said, "there are a number of important conditions, some of which are not subject to our control, which must be satisfied before stabilization of sterling in terms of gold can be contemplated."

"Our immediate object is to balance the budget, rectify the adverse trade balance and maintain the internal purchasing power of the pound."

"The Government considers that no useful purpose would be served at present by calling an international conference to stabilize the price of silver, he added, or the possibility of the establishment of a silver standard for currency in the Far East."

WEATHER FORECAST

NO. 292—SEVENTY-THIRD YEAR VICTORIA, BRITISH COLUMBIA, WEDNESDAY, NOVEMBER 18, 1931 EIGHTEEN PAGES

GOV'T GIVES WELCOME TO U.S. SENATORS

Friendship and Assurances of Co-operation Are Expressed at Banquet

CONGRESSIONAL PARTY STUDYING SALES TAX

OTTAWA, Nov. 17 (CP).—Canada officially welcomed the United States congressional party studying the Dominion sales tax system at a banquet tendered here tonight by the Canadian Government.
From Rt. Hon. Sir George Perley, Acting Prime Minister, and Hon. E. B. Ryckman, Minister of National Revenue, who is actively assisting the American party in its inquiry, came the warmest words of greeting, friendship and assurances of co-operation. And by Hon. T. P. Gore, Senator from Oklahoma, afflicted with blindness nearly half a century ago, words of appreciation and international good will were expressed.

HAVE WIDE INFLUENCE

"We in Canada are here as interpreters between Great Britain and the United States," Sir George Perley declared. "No duty could be more pleasant to me than to act as a link of interpretation, because I believe that with the British Empire and the United States holding together we can accomplish anything we like for peace and happiness in this world."
A strong belief in the Canadian sales tax system was indicated by Mr. Ryckman. "The nation that has a deficit unprovided for is not a nation that can hold up its head among the nations of the world," the Minister of National Revenue declared.

NEIGHBORS BY DESTINY

"Destiny has established Canada and the United States as neighbors," Senator Gore stated. "We are destined to be and remain neighbors for ever and a day. We are destined to be neighbors as long as the grass grows and as long as the water flows. We would not slip that golden chain or break that bond of friendship."

The dinner tendered by the Government tonight concluded the first day of the stay in the capital of the congressional party who are visiting Canada under the auspices of William Randolph Hearst, publisher.

United Australian Party Will Oppose Labor at Elections

SYDNEY, N.S.W., Nov. 17 (CP).—Rumors were current here today that Premier J. T. Lang would soon leave state politics to enter the Commonwealth Parliament.
The National party and the All-for-Australia League today decided to sink their separate identities and form a united Australian party to oppose the Labor forces at the next election.

Indian Round Table Meeting Extended For Another Week

Mahatma Gandhi Delays Departure and Will Await Conclusion of Conference—Is Heartened by Talk With Prime Minister MacDonald

LONDON, Nov. 17 (CP).—Heartened by a talk with Prime Minister MacDonald, Mahatma Gandhi today reconsidered his decision to depart for India Thursday and agreed to remain until the conclusion of the Round Table Conference. Lord Sankey, chairman of the conference, decided to prolong the session another week.

BILL CAUSES U.S. SERIOUS UNEASINESS

Reduction of Exports to Britain by Many Millions Is Feared

UNITED KINGDOM IS NOW BEST CUSTOMER

WASHINGTON, Nov. 17 (CP).—Tariff, both foreign and domestic, occupied the attention of Washington today. Politicians and officials took a serious view of the proposal before the Board of Trade to levy duties upon certain classes of imported goods. It was announced that Henry P. Fletcher, chairman of the United States tariff commission, had resigned. His resignation had been anticipated for some time.
While it is roughly figured the British measure, if it were used to the full, would affect exports from the United States valued at between \$50,000,000 and \$75,000,000, experts pointed out it was not yet established the intention of the National Government was to make it the basis of a tariff. It was more generally believed in expert circles the measure would be adopted as a means of protecting the home market against influx of goods in anticipation of the tariff. However, they did not attempt to minimize the threat to United States commerce, characterizing it as "very serious."

BLAME U.S. TARIFF ACT

Senator Cordell Hull, Democratic leader, and Representative David J. Lewis, Democrat, at the British action as a direct result of the passage of the Smoot-Hawley Tariff Act. Senator Reed Smoot, co-author of the act, preferred not to comment.

While Senator Smoot in an article in the November issue of Current History contends that increases in foreign tariffs are not to be laid to the account of higher duties in the United States, the Foreign Policy Association some time ago put out a report that the British tariff measures had been taken by eleven countries. Since that time there have been numerous additions to the list of countries which increased their tariffs.

WILL LESSEN EXPORTS

The general depression, and to some extent, these tariffs, have decreased the export trade of the United States for the ten months ending October 31 last year, against the same period last year as \$2,046,731,000 compared to \$3,279,346,000. The figures show a fall in the value of exports from the United States, some months ago the United Kingdom displaced Canada as the best customer of this country, and this despite a fall in the value of exports since 1926 of about \$100,000,000 annually.

IS NATIONAL DUTY

Canada must, therefore, for the present, do her financing very largely at home. And the proposed issue not only offers an opportunity for the investment of accumulating funds, including savings of the public, but will appeal to all those who believe that the financing of the Dominion Government's requirements is a national duty.

COUGAR BOUNTY TO BE REDUCED

Material Saving Will Be Effected on Predatory Animal Awards

Reduction in bounties paid on predatory animals by the Province, involving a material saving, was announced yesterday at the Legislative Buildings, and will shortly go into effect. After a conference of the ministers affected, decision was reached to cut cougar bounties from \$30 to \$20. Coyote bounties imposed automatically at October 31, with sixty days remaining in which applications may be received.

ADMIT DECREES STOPPED TRADE

Serbs Are Forced to Halt All Exchange Deals With Austria

By JOHN OUNTHER
(Copyright, 1931, by The Chicago Daily Tribune)
VIENNA, Nov. 17.—First official admission that the result of the new finance decrees of Central Europe has been the complete stoppage of trade is contained in an announcement from Belgrade today that all exchange operations between Yugoslavia and both Austria and Hungary are henceforth forbidden. The announcement, issued by the Yugoslav National Bank, throws the blame on the Austrian and Hungarian regulations.

The news has alarmed finance circles. It means that businessmen, bankers and merchants will be unable to do business, since no cash or credit can be transferred. Austria must count on the loss of 150,000,000 schillings (\$21,500,000) in exports to Yugoslavia, and Yugoslavia loses a sum only slightly less.
The price of Yugoslav postage stamps, it is reported, will be raised in an effort to increase revenue.

POTENTIAL BURGLAR GIVEN FOUR YEARS

VANCOUVER, Nov. 17.—Pleading guilty to charges of having burglarized tools and explosives in his possession, Frank Sarge, alias Gilbert Davis, was sentenced to serve four years in the penitentiary by Judge Cayley, in County Court, this afternoon.

"It is safer for you to be in jail," Judge Cayley told Sarge when he passed sentence.

Passed Sentence on Communists

JUDGE W. H. WRIGHT who sentenced seven members of the Communist party to five years in the penitentiary and an eighth to a two-year term, following an eight-day trial at the Fall Assizes at Toronto.

BOND APPEAL IS TWOFOLD

Federal Issue to Offer Attractive Yield—Affects National Prosperity

MONTREAL, Nov. 17.—The definite intimation from Ottawa by Hon. E. N. Rhodes, Acting Minister of Finance, that Canada's National Service Loan will be offered to the public on November 22, has been the most interesting news in investment banking circles in recent months. The details of the issue, the amount (\$150,000,000), and the maturities (five and ten years), had been eagerly awaited for some days. It is generally recognized that the requirements of individual as well as institutional investors have been considered, particularly in the announcement of \$100 certificates in the five-year series.

ATTRACTIVE RATE

While there has been nothing definite said in regard to the price at which the bonds will be offered, it can be accepted that the coupons will be at 5 per cent and that the return to the investor will be somewhat better than this attractive rate.

This National Service Loan, out of which the Dominion's needs will be financed, has a two-fold appeal to investors. It offers an attractive yield with the highest possible security, and it is designed to play its part in national progress. Because of unsettled conditions of world finance, there is practically no opportunity to offer even national securities to advantage in outside markets.

IS NATIONAL DUTY

Canada must, therefore, for the present, do her financing very largely at home. And the proposed issue not only offers an opportunity for the investment of accumulating funds, including savings of the public, but will appeal to all those who believe that the financing of the Dominion Government's requirements is a national duty.

COUGAR BOUNTY TO BE REDUCED

Material Saving Will Be Effected on Predatory Animal Awards

Reduction in bounties paid on predatory animals by the Province, involving a material saving, was announced yesterday at the Legislative Buildings, and will shortly go into effect. After a conference of the ministers affected, decision was reached to cut cougar bounties from \$30 to \$20. Coyote bounties imposed automatically at October 31, with sixty days remaining in which applications may be received.

ADMIT DECREES STOPPED TRADE

Serbs Are Forced to Halt All Exchange Deals With Austria

By JOHN OUNTHER
(Copyright, 1931, by The Chicago Daily Tribune)
VIENNA, Nov. 17.—First official admission that the result of the new finance decrees of Central Europe has been the complete stoppage of trade is contained in an announcement from Belgrade today that all exchange operations between Yugoslavia and both Austria and Hungary are henceforth forbidden. The announcement, issued by the Yugoslav National Bank, throws the blame on the Austrian and Hungarian regulations.

The news has alarmed finance circles. It means that businessmen, bankers and merchants will be unable to do business, since no cash or credit can be transferred. Austria must count on the loss of 150,000,000 schillings (\$21,500,000) in exports to Yugoslavia, and Yugoslavia loses a sum only slightly less.
The price of Yugoslav postage stamps, it is reported, will be raised in an effort to increase revenue.

VANCOUVER, Nov. 17.—Pleading guilty to charges of having burglarized tools and explosives in his possession, Frank Sarge, alias Gilbert Davis, was sentenced to serve four years in the penitentiary by Judge Cayley, in County Court, this afternoon.

"It is safer for you to be in jail," Judge Cayley told Sarge when he passed sentence.

FIERCE FIGHTING RENEWED IN MANCHURIAN QUARREL

Official Chinese Advice Claim Rout of Japanese Forces by General Mah With 800 Killed—Press Dispatch Reports Japanese Driving Opposing Forces Farther North

Nanking Repudiates Any Rule by the Boy-Emperor

(Associated Press)
FIERCE fighting was renewed north of Tamsing today between the Manchurian army of General Mah Chan-Shan and Japanese troops of General Jiro Tamon, Tokio learned. Chinese claimed decisive victory in the Nonni River area, with 800 Japanese killed and 200 captured, but Harbin dispatches said Japanese instead had pushed back General Mah's force. Japanese air raids near Tsitsihar damaged the Chinese Eastern Railway and buildings at Fularki, Shanghai heard.

PRINCE GEORGE MAIL ROBBED

Thirty Packets of Registered Letters Taken on Monday Night

Robbery of the postoffice at Prince George involving the theft of \$250 in currency and the loss of twenty-nine additional packets of registered mail, was reported by the headquarters of the Provincial Police yesterday over police wireless from Inspector W. E. Spiller, of the northern post. The theft was effected Monday night, and comprised removal of thirty packets of registered mail, the full value of which is at present unknown here. In one parcel is known to have been fifty Bank of Montreal bills, each of \$5 denomination, and bearing serial numbers from A-3834051 to A-3834100. These numbers have been flashed by the police far and wide and any attempt to cash in on the haul will be watched. Word of the robbery was wireless to the headquarters yesterday and an investigation is proceeding at the scene.

Meanwhile, the Alberta Provincial Police and municipal forces over a wide area have been notified of the loss of the currency.

URGE FORMATION OF CENTRAL BANK

United Farmers of Manitoba, Meeting at Brandon, Face Multitude of Motions

BRANDON, Nov. 17.—Formation of a central bank in Canada was unanimously supported today by United Farmers of Manitoba. At the outset of the annual three-day convention, delegates approved the report of the farm body's banking committee, which suggested that a central bank would aid in preventing cycles of depression and inflation.

Inclusion in the Canadian Bank Act of a \$5,000 penalty for any violation of the 7 per cent maximum legal insurance rate was asked by the convention. The meeting rejected a resolution protesting against banks insisting on chattel mortgage security for current loans.

Less than a dozen of four-score resolutions on the agenda were disposed of. The convention favored cancellation of war debts and reduction of Western mileage freight rates to compare with those in the East. Abolition of duties on farm implements and wire fencing was favored, and the meeting asked cancellation of the 2-1-2 cents import duty on gasoline be abolished unless it can be assured that costs to the consumer will not be raised.

ARMAMENT WILL BE LEADING SUBJECT IN HOOVER-GRANDI TALK

Italian Foreign Minister Says Now Is Time to Carry World Movement to Practical Result—Hopes for Accord With France

WASHINGTON, Nov. 17.—Armament tonight assumed a place of predominant importance in President Hoover's conversations with Foreign Minister Grandi of Italy. The two statesmen will confer at the White House tomorrow for the first of a series of talks in which they will seek to determine how their nations can best co-operate for the improvement of world conditions.

Choosing his own words, the Foreign Minister today described the present as "high time" to carry the world disarmament movement to a "practical result." He made this statement at a conference with newspapermen in the middle of a day devoted to diplomatic formalities and private talks with United States officials.

His answers to questions about disarmament were unhesitating. Speaking in fluent English, he said: "I think the question of disarmament is the most important existing in the relations between countries. It is high time for everybody to seek a practical result."

He said his visit was directed toward peaceful co-operation among the nations with a view to their economic recovery and general welfare.

NO EARLY RETURN TO GOLD BASIS

Rt. Hon. Neville Chamberlain Explains Financial Policy of National Government

LONDON, Nov. 17 (AP).—Great Britain does not contemplate an early return to the gold standard, it was indicated in the House of Commons today by Rt. Hon. Neville Chamberlain, Chancellor of the Exchequer.

In answer to a question, he said, "there are a number of important conditions, some of which are not subject to our control, which must be satisfied before stabilization of sterling in terms of gold can be contemplated."
"Our immediate object is to balance the budget, rectify the adverse trade balance and maintain the internal purchasing power of the pound."

The Government considers that no useful purpose would be served at present by calling an international conference to stabilize the price of silver, he added, or the possibility of the establishment of a silver standard for currency in the Far East.

PERCY R. BROWN IS CANDIDATE

Will Run for Council—R. F. Castle and John Wood Withdraw From Field

Percy R. Brown, one of the city's best-known business men and for many years engaged in real estate, announced last night that he would be a candidate for one of the five seats on the City Council, Mr. Brown is the only new candidate

W. G. Stone, Zone Representative, Addresses Tuberculous Veterans

An informative address on Canadian Legion affairs, which proved most educational to the large number attending, was last night given at the regular general meeting of the Tuberculous Veterans' Branch, by W. G. Stone, zone representative.

CIVIC EXPERIENCE

In connection with his announcement to become an aldermanic candidate, Mr. Brown wished to contradict a statement appearing in yesterday's paper of yesterday that he was seeking mayoralty honors.

"I do not intend," he said, "to contest the mayoralty at the coming elections, but I will state that I have intentions of seeking office as an alderman, feeling that it is an active interest in civic affairs."

Mr. Brown is one of the large taxpayers in Victoria, and in discussing his entry as a candidate, he stated that he considered now was the time for anyone holding real estate to take an interest in the affairs of the city.

TERROR STRIKES WARSHIP'S CREW

Two Die of Rabies and Others in Hospital After Taking Pot on Board

MANILA, Nov. 17 (AP).—Sixteen enlisted men who, in two days, have been two shipmates to mad and taken away to die of rabies, are under treatment today at the Canacao Naval Hospital at Cavite, some in agony of fear that the same fate awaits them. Officials are optimistic they will recover.

Four more bitten or otherwise exposed to rabies by a pet dog brought aboard the United States destroyer John D. Edwards in violation of orders when the ship was at Cebu, China, October 16, have been taken to the hospital. They and three attendants of two men who died have been given the Pasteur treatment.

TOURIST AUTO PERMITS GAIN

Figures Show 1,781,000 Cars Visited Canada During Half Year

By CHARLES LYNCH
OTTAWA, Nov. 17 (CPN).—Canada's tourist trade ranks in the forefront of the Dominion's big business, sixty-day touring permits issued for foreign automobiles from January 1 to June 30, 1931, showing a substantial increase over the corresponding period last year.

SNOW AT THE FRONT

Snow fell today on the Nonni front where the two main forces of Chinese and Japanese troops face each other in positions prepared according to expectation of a major engagement.

All Northern Manchuria is in the grip of winter and from the plains of Siberia come biting winds. Soldiers in the field are without shelter and there are no trees at the points where troops are thick.

CUTTING THE WIRES

At least six secret agents, operating under the name of "Pavlov," were put to work in the South Manchuria railway zone to cut telegraph wires, it was said at Japanese headquarters.

The Japanese are encountering difficulty in maintaining their communications in the Nonni sector.

SEDITIOUS INSTITUTION

NANKING, Nov. 18 (AP).—China will regard any Manchurian Government headed by Hsuan Tung, the former boy-emperor, as a "sedition institution," and will repudiate all its acts, the Nanking Government declared today in a note to the League of Nations.

The note was sent after reports had been received that the former emperor, who has been living in Tientsin since his escape from Peking, had been taken to Mukden, Manchuria, where he was to be enthroned.

China declared in her communication to the League of Nations that the administration would be regarded as "an auxiliary organization of the Japanese Government."

A SMASHING ATTACK
TOKIO, Nov. 18 (AP).—A Chinese dispatch to the Reuters News Agency said Japanese troops were advancing in a smashing attack on the main force of Chinese in the Nonni River zone and were expected to enter Tientsin today.

COMPROMISE NOT AT HAND

Continued from Page 1
Japanese lives and property and therefore, whether it will be met before evacuation can be accomplished.

Dr. See let it be known that China regards Japanese activities in Manchuria as violations of the League Covenant, of the Nine-Power Treaty, and of the League of Nations.

In addition to the treaty problem, there is the matter of the special rights of the Great Powers in China. Observers said that China's position might be interpreted as a move to end the privileges of extrajurisdiction enjoyed by those powers.

DISTRESS MESSAGE FROM GREENLAND IS PUZZLE TO CAPTAIN

OAKLAND, Cal., Nov. 17 (AP).—Captain Lawrence Aber, of Oakland, retired naval officer, picked up what apparently was a distress message from some expedition in Greenland and stated "two members are in bad shape."

It was Captain Aber's first belief the message may have come from a University of Michigan expedition, but it was later learned Michigan has no expedition in Greenland and expedition known to be there have no radios.

TOMATO GROWERS ELECT OFFICERS

T. R. Dempster was again chosen to head Victoria Association at Annual Meeting

T. R. Dempster was last night re-elected president of the Capital City Cooperative Hothouse Growers' Association at the annual meeting held in the Chamber of Commerce.

MANY EXPECTED AT POLICE BALL

Eighteenth Annual Function Will Be Held at Empress Hotel on Friday Night, December 4

As Friday, December 4, approaches, guests for the eighteenth annual ball of the city police department are selling more rapidly. It was pointed out yesterday that many tickets already have been sold, and that, as the number is limited, reservations should be made early.

AIR MAIL PILOT HAD CLOSE CALL

Machine Skidded on Ice Ground and Crashed Into Hangar at Calgary Airport

CALGARY, Nov. 17 (CP).—Pilot Pat Calder had a narrow escape from serious injuries late last night when his airplane crashed into a hangar at the airport here. Calder was landing with the southbound mail from Edmonton when the wheels of his machine skidded on the icy field as he applied the brakes for the landing.

Rockefellers Pay Millions to Help Jobless of U.S.

NEW YORK, Nov. 17 (AP).—The Rockefeller Foundation, supported by John D. Rockefeller and his son, John D. Rockefeller, Jr., contributed \$500,000 to New York's emergency unemployment relief today and made a further conditional gift of \$250,000.

The two Rockefeller recently gave the fund \$1,000,000. The \$250,000 gift is conditional upon the raising of \$5,000,000 above \$11,000,000 before July 1, 1932, \$500,000 to be paid for each million from other sources.

Manxmen Desire A National Flag

LONDON, Nov. 17 (CP).—The Isle of Man has made known its desire to adopt a national flag, and the Governor has been asked to take steps to procure the assent of the British Government.

The only Manx flag which now approaches a national status is a red ensign bearing three human legs. The Manx cost-of-arms consists of three human legs in armor, kicking in different directions. Its origin is obscure, but it is thought to have typified the island's independence of England, Scotland and Ireland.

Record Number of Exhibits at Fair
TORONTO, Nov. 17 (CP).—A new record has been set by the Royal Winter Fair in the number of exhibits for this, its tenth year. An estimate of the number of animals and birds follows: Horses, 1,000; cattle, 1,000; sheep, 600; cats, 250; dogs, 600; poultry and pet stock, 7,500.

The entries from all classes total 16,500, which is a new high mark.

FLYING BRINGS NEW PROBLEM

Where Should Birth of Child Born in Plane Be Registered?

WINNIPEG, Nov. 17 (CP).—Aviation has given rise to many new problems, and the latest one is not the least. This is it. If a child is born in an airplane flying between two points, where should the birth be registered? Or supposing the airplane is flying over an international boundary, how can it be said in which country it was born?

ASTHMA

MR. PATTULLO UNDER FIRE

Recent Address on Finances
Draws Round of Criticism
for Liberal Chief

Charging gross distortion and misrepresentation of the facts, Hon. R. W. Bruhn, Minister of Public Works, made public yesterday a statement severely rapping T. D. Pattullo, leader of the Opposition, for remarks attributed to him in the course of a recent Victoria address.

"As leader of the Opposition, Mr. Pattullo is in a position to know the responsibility devolving on men in public office for the correctness of their public utterances. Notwithstanding this, Mr. Pattullo has seen fit to misstate the unemployment relief situation in British Columbia, stating figures that cannot be justified by the wildest dreams of imagination made to fit in with the facts. In one such assertion, Mr. Pattullo gave the cost of the construction of unemployment camps in this province to be \$1,500,000, or three times as much as the entire cost of erection

and equipment of the camps, which was \$500,000," Mr. Bruhn declared.

REVIEWS FACTS

Speaking with the authority of the unemployment relief committee of the Cabinet, Mr. Bruhn traced the inception and progress of the unemployment relief programme in this province, from August 19, when Ottawa approved of various works and ordered an immediate start to be made, to the end of October last, at which date 22,000 men were being provided for by the Provincial authorities, on the national relief programme.

The statement showed a total of 27,700 men had been given employment in the period, with an average of twenty days' work a month, for a total of 550,000 man days' work. From August 19 to October 31 the average wage earned by these men had been \$61, while the total placed in circulation in the province for the allowances granted had been \$1,750,000.

In addition, the cost and equipment of the camps, at \$500,000, placed a considerable sum in circulation for British Columbia materials and made use of labor drawn from the ranks of the unemployed themselves. Tools and materials used in work were also supplied.

The Provincial Government also assumed direct relief to a substantial total, advancing the Federal share as well, and this will be recovered later.

Dealing with the actual camps, Mr. Bruhn showed that approxi-

Wins World Oratory Championship

DE Heer Henri R. M. Van Hoof, seventeen, of Overgreen, Holland, won the sixth international contest for the world's championship in high school oratory in Washington, D.C., recently. He is shown here receiving the championship trophy as other contestants look on. Left to right: Dr. Frank W. Ballou, superintendent of Washington schools, presenting the silver cup to De Heer Henri R. M. Van Hoof, of Holland; Gerard Cournoyer, Canada, second place winner; Herr Martin Krieger, of Germany, who took third place; and the German Ambassador, Frederick von Prittwitz.

EVOLUTION OF SEX DISCUSSED

Dr. H. T. J. Coleman Gives
Philosophical Talk to
Round Table Club

"Sex is not a problem of breeding a better race or embodying certain traditions in a newer generation, but a problem of spiritual development between man and woman in their most mutual relationships." Thus did Dr. H. T. J. Coleman conclude an informal talk on "The Philosophy of Sex" at last night's dinner gathering of the Victoria Round Table Club in the Empress Hotel.

Dr. Coleman first traced the evolution of sex in itself, then the emergence of a new generation, phenomena, courting and family life. From these emerged society with all its present-day ramifications, which have developed through the ages.

PROVIDES VARIATION

Sex, he said, served one purpose of importance, that of variation. It gave humanity an opportunity of greater variety, and on variation progress depended. Evolution, he said, depended on both biological and mental variety.

Man emerged on the stage of life with many native instincts, which were vital to existence. Chief among these was sex, but without the instinct of fighting, concealment and protection, the phenomenon of the reproduction of the species would never have progressed.

WOMEN BECOME SLAVES

An important adjunct to sex was the instinct known as maternity. This instinct did much to win a place of dignity and freedom for the primitive woman, but as man settled down to a more agricultural life, women became slaves, part of their husbands' chattels as indicated in the Ten Commandments, which forbids the coveting of a neighbor's wife, sex, and other property.

This particular commandment, Dr. Coleman said, should not be taken as the highest ethics of mankind, but as the highest ethics of a primitive people.

At the present time woman is again issuing from bondage and placing herself in an equal place with man. This, however, will not be accomplished until the psychic phenomenon is allowed to run its course more freely.

EMPHASIZE PROPRIETARSHIP

The church, while fostering the spiritual development of sex, has at the same time somewhat hampered the evolution of sex by over-emphasizing the condition of propriety in marriage.

The present social standard, Dr. Coleman said, was by no means final in his opinion. Evolution of sex would continue, but would be more apparent as it would be the result of frank discussion.

ASKS FOR TOLERANCE

Dr. Coleman asked his audience to view the Soviet experiment in social evolution with more tolerance. He did not believe that Russia was taunting herself to the world, but making an earnest experiment in new evolution in conjunction with a new industrial theory. What the result of that experiment would be remained to be seen, but it was said by authorities that the intelligentsia of Soviet Russia viewed life as a religion and that all worldly ambition was as naught in comparison with the evolution of sex to a higher realm of freedom.

An open discussion followed which led to a fuller expansion of the thoughts expressed by Dr. Coleman during his talk.

Just Roamin' Around

In Rob Roy's day, the powerful landowners added to their domains by seizing the estates of the weak. One of these unscrupulous, who had seized a small property in Glendochart, was waylaid by the Macgregor, one dark night, and made to sign a paper restoring the lands to the rightful owner. Then, Rob Roy and his men emphasized his objection to this kind of theft by continuing the matter to St. Fillan's Pool where they dived him unmercifully and sent him about his business.

Killearn trailed his tenants harshly. A widow got behind in her rent, and the duke's collector threatened to evict her. Rob Roy gave her the money to pay, telling her to be sure to get a receipt. On his way home with the widow's money, Killearn met Rob Roy, who held him up and gave him a good drubbing, advising him to leave poor widows alone in future.

Montrose, who was continually offering at the hands of Rob Roy and his little band, sent a body of his own men and some soldiers to capture him; but the wily Rob Roy defeated them and a soldier was shot and another drowned in the mill dam. A reward of one thousand pounds was offered for his head. That was a goodly sum in those days, but no one would give Rob Roy away. He hid in a cave at Inverard, where the Bruce had sheltered in bygone years.

Rob had many escapes, but good fortune always followed him. Once Montrose actually took him prisoner and he was led to one of the duke's men, on horseback, with a horse-girth. Crossing the stream, the girl became loose; no doubt the man (Stewart) was his name) was about to lead Rob Roy, and the prisoner escaped.

Another time, the Duke of Atholl took Rob Roy prisoner at Blair Castle, and he was taken to the Macgregor managed to make his escape, and, seizing a horse, was off before the alarm could be sounded.

After twenty or more years of outlawry, Rob Roy became reconciled to his former enemies who were always getting the worst of it. Notably Montrose, the very man who first started Rob Roy on his career of collecting from the rich to help the poor, and his boy.

WIDOW OF PIONEER MINISTER PASSES

NEW WESTMINSTER, Nov. 17.—Annie Kern Dunn, aged seventy-nine, widow of the late Dr. Alexander Dunn, first Presbyterian minister in the Fraser Valley, died at her residence here today.

The late Mrs. Dunn was born in Presteville, Ontario. She had resided here for fifty years and was with her late husband, who was a pioneer in the Presbyterian Church of the Lower Mainland, was well known throughout the valley.

She was a devoted wife and mother, and was always ready to help the poor and the needy.

She was a member of the Presbyterian Church and was a very active worker in the church.

She was a very kind and generous person, and was always ready to help the poor and the needy.

She was a very kind and generous person, and was always ready to help the poor and the needy.

NEED AID FOR UNEMPLOYMENT

City Appeals to Ottawa to
Assist in Solving Relief Problem

Victoria's position in connection with unemployment relief is anything but satisfactory, it was revealed at the regular meeting of the City Council yesterday morning, at which Mayor Herbert Ansoncomb informed his colleagues he had been informed that the city's amount of \$300,000 had been reduced to \$200,000 by the governments. Ottawa had been appealed to.

The question of unemployment relief came under general discussion following appeals from a small delegation, representing the unemployed single and married men, concerning rates of pay and number of days' work. Mayor Ansoncomb explained the city's position and the result of interviews he had had with Hon. J. W. Jones, Provincial Minister of Finance. He said he did not blame the Provincial Government officials for the situation, as it appeared they were in much the same position as the municipalities.

Mayor Ansoncomb asserted he had been informed by the minister that Victoria's grant had been reduced to \$200,000, which had created a serious situation in view of the large contracts for water pipe recently entered into by the city for relief undertakings. Unless, Mayor Ansoncomb said, something of a definite nature concerning finances was forthcoming within a reasonably short time, the city might have to consider the closing down of its work.

FINANCE MINISTER

Mr. Pattullo was also under fire from the Ministry of Finance over the same address. Hon. J. W. Jones told of the receipt of numbers of letters which, complaining of the city's own stand in the matter, roundly scored the action of the Leader of the Opposition. These letters, Mr. Jones declared, came from influential quarters and traversed a wide section of public opinion, distinct from party lines.

"Unpatriotic is the mildest of the terms applied to the action of the Leader of the Opposition in seeking to attack the credit of this Province," Mr. Jones averred, pointing to a pile of correspondence on his desk which has been multiplying fast in the last few days.

RESULT OF VOTE STILL UNKNOWN

Conservative Leads by 155 on First
Count in Red Deer By-
Election

RED DEER, Nov. 17 (CP).—Whether the farmer Government of Alberta will continue with its majority unchanged or whether the Conservative strength will be increased by one member will not be known until tomorrow, when the Red Deer provincial by-election result will be announced.

Counting of first choices was completed today, giving W. E. Payne, K.C., Conservative, a lead of 155 over R. L. Gaetz, nominee of the U.P.A. and Government supporter. James Bannerman, Liberal, and Fred O. Bray, Communist, were out of the running. The figures were: Payne, 1,639; Gaetz, 1,484; Bannerman, 492; Bray, 251. Counting of second choices will be commenced today.

The total vote, 3,886, was about 400 less than last provincial election. Cold and snowstorms during the day caused the lower vote. Death of G. W. Smith, U.P.A., caused the by-election, reducing the U.P.A. party's standing from 39 to 38. Liberals hold 11 seats; Conservatives, 6; Labor, 4; Independents, 3, with the Red Deer seat still vacant.

Priceless Works Of Art Found in Cans in Moscow

MOSCOW, Nov. 17 (AP).—Priceless art treasures were restored to the world today following the discovery of five noted paintings buried in tin cans in two places in Moscow.

The pictures were stolen from the Moscow Art Gallery in 1927. They are the "Picture of Christ," by Rembrandt; the "Roe Homo," by Titian; the "Holy Family," by Correggio; the "St. John the Evangelist," by Carlo Dolci; and the "Scourging of Christ," by Pissarro.

The tin cans were found sealed and the pictures were covered with a special composition to protect them from damage. The tin was damaged slightly from damp but it is to be restored by experts.

Several persons have been arrested, including a painter named Kokorov.

Tax Penalties

By EX-ALDERMAN E. S. WOODWARD

Mayorality Candidate and Advocate of Substantial Tax Abatement

Hear Ex-Alderman E. S. Woodward on the air, CFCT, Tuesdays, Thursdays and Saturdays, at 7:45.

Existing tax penalties are, in my view, harsh, oppressive and undesirable.

On an average, citizens do not default on tax payment through unwillingness, but through inability.

They should be encouraged to make their payments as soon as possible.

A penalty is necessary to prevent frivolous default, to maintain a high standard of collections.

But the penalty should be just and reasonable, and should not impose further obstacles to embarrassed taxpayers.

Instead of a penalty of 8 per cent plus interest, I advocate a penalty of 1 per cent a month.

Such a penalty encourages payment at due date, but it also operates to encourage payment whenever the money is available.

Justice to prompt taxpayers requires the imposition of a just deterrent to delinquency; but justice to unfortunate delinquents requires that the penalty shall fit the offence.

A 1 per cent monthly penalty is just, effective and humane.

Yours for better times,

E. S. WOODWARD

Mayorality Candidate,
Organizer of Tax Abatement Campaign.

SLASH PRICES OF BULK MILK

Pirating by Independent Producers Caused Three-Cent Cut, Is Claim

Wholesale distributors of milk dropped their prices three cents yesterday as a result of alleged bootlegging on their trade by independent milk producers.

The new rates to bulk buyers are now thirty-five cents a gallon, ten cents a quart and five cents a pint, compared with the old prices of thirty-eight cents a gallon, eleven cents a quart and six cents a pint.

RETAIL PRICE UNCHANGED

So far this cut has not reacted on the retail trade, which is continuing to sell milk in bottles at fifteen cents a quart or eight cents a pint, and in buying dollar tickets the householders obtain their milk for the same prices as the new retail schedule established over the Royal Dairy counter in adjustment with the new wholesale prices.

The Royal Dairy is selling milk at thirteen cents a quart or two cents over the counter. However, this particular dairy does not have a city retail delivery. All large retail distributors questioned yesterday said that no change had been effected in the retail price.

ALLEGED CAUSE

The cut in the wholesale quotation was to meet the competition of independent milk producers, who, instead of shipping through an organization, were endeavoring to build up a private wholesale business by "pirating" on our already well-established trade.

"It is the efforts of these independent producers that are doing all the co-operative efforts of the organized milk producers and distributors to stabilize the price of milk on an equity with the cost of raising cattle," one distributor said.

INVESTIGATING JURY

DISCOVERS NOTHING IN NEARLY THREE YEARS

CHICAGO, Nov. 17.—A noncommittal "find" has been written at the bottom of the coroner's report of the "St. Valentine Day massacre." After thirty-three months' investigation, a jury decided on Monday that the bloodiest chapter in Chicago's gang warfare was written with machine guns in the hands of "persons unknown."

Coroner Herman N. Bundesen told the jury that no new evidence had been discovered which led to the identity of the gunmen who walked into the dingy little garage in North Clark Street on February 14, 1929, lined up seven George "Bugs" Moran gangsters against the wall and mowed them down.

A loud-voiced orator was holding forth at the street corner when he was interrupted by one of the audience, who shouted: "Come down, old man, and talk sense. You're nothing but a blithering idiot."

"Be quiet," said the speaker, "you're drunk!"

"I know," said the man, "but I shall be sober in the mornin' and you'll still be an idiot!"

City and District

Vital Statistics—According to the October report of the Victoria medical officer of health, there were thirty-one marriages, forty-five births and thirty-five deaths in the city in October.

Appointed Assistant—E. E. Coady-Johnson was appointed deputy returning officer by the City Council yesterday. Mr. Johnson will assist City Clerk M. Frank Hunter in his duties during the coming municipal elections.

Approves Draft Lease—The City Council yesterday approved the draft lease of the Ogden Point elevator from the Panama-Pacific Grain Terminal, Limited, to the Alberta Wheat Pool. The pool is leasing the elevator for one year.

Opening Committee Rooms—E. B. Andros, candidate for the city mayor, will open his committee rooms in the offices formerly occupied by the Griffith Company at 617 View Street. The rooms will be opened next Monday, November 23.

Closed to Traffic—On the recommendation of the public works committee, the City Council yesterday authorized the closing of the north-sidewalk on Point Ellice Bridge. The space will be used to carry the new thirty-inch watermain across the harbor.

To Borrow \$200,000—At the regular meeting of the City Council yesterday morning the city comptroller was authorized to arrange with the Bank of Montreal for further credit in the amount of \$200,000. The money is to be used for the purpose of the finance committee.

New Member—Arthur T. Hupkin, principal of the George Jay School, was introduced as a new member at the Victoria Round Table Club's weekly dinner gathering last night. The course of lectures on social science was started by Dr. H. T. Coleman, of Vancouver.

Friendly Help Grant—On account of the extra expenditures that the Friendly Help Society has been compelled to meet, the finance committee of the City Council, at its meeting yesterday morning, agreed to increase the November grant from \$1,500 to \$2,000.

Market Receipts—A total of \$770.80 was received in the operation of the Inside City Market during October, according to the monthly report of the market superintendent, A. G. Robertson. For the same month of last year the receipts were \$616.20. Outside market returns last month were \$85.40.

On Short Visit—J. Harry Smith, manager of the publicity department of the C.P.R., is in the city on a short business trip. He has been to California in connection with his duties and has business elsewhere across the continent. He expects to leave here this evening on his Eastward trip.

Thief Plays Joke—Twenty dollars in cash and jewelry stolen from the home of J. Bowden, 2392 Beach Drive, more than a week ago, had yesterday been recovered by Oak Bay Police in a most unusual manner. The stolen articles were returned by mail. Enclosed with the cash and jewelry was a note with one word written on it—"Joke."

The note, however, did not view it as a joke, and are continuing their search for the culprit.

Grain Operator Here—Bruce McBean, of Winnipeg, well known in grain circles in the West, is staying at the Empress Hotel, spending a vacation here and taking advantage of the opportunity to indulge in golfing. He expects the price of wheat to advance to about the dollar mark, and also speaks of the excellent outlook for a crop throughout the Prairies this coming year.

Pays Partial Amount—An offer from the B.C. Worsteds Mills to pay \$1,000 on account of \$3,650 due December 1 under the agreement between the company and the corporation, was approved at the meeting of council yesterday, providing the circumstances of the offer were satisfactory to the city solicitor. The company offers to pay the amount of \$500 monthly until full amount is paid.

Hospital Finances—The legislative committee of the City Council, and the committee of the hospital, have been delegated the authority to draft plans dealing with proposals to add the finances of the Royal Jubilee Hospital. The committee will study proposals and will then interview Government officials concerning new legislation. The committee will prepare a report for submission to the next session of the Legislature.

Will Not Speak Here—A wireless message received yesterday from Hon. Vincent Massey, en route from the Orient to Victoria aboard the Empress of Japan, indicated the expense of the Canadian Club that Mr. Massey regretted his inability to address the club while here. Mr. Massey has been attending the sessions of the Institute of Pacific Relations and states that he will be glad to speak to the club members on his return here in the Spring.

Special Report—In a special report of the finance committee adopted by the City Council yesterday, it was shown that there were no employees in the building inspector's department, the assessor's department, and only one in the treasurer's department having wives in other employment. The one in the treasurer's department concerned a junior clerk receiving \$85 a month, and the committee considered this an exceptional case.

Had Successful Year—The boys' work committee of the Kiwanis Club has had a most successful year in its enterprises for the benefit of the younger section of the community. A report was presented by A. M. Kirk for that committee at the luncheon meeting of the Kiwanians yesterday in which he reviewed what had been done. The committee had sponsored twenty-two boys at the Y.M.C.A., who had won high honors at the camp. Special praise was given B. Johnson and others of the club who had rendered special assistance in the work.

New Organization—A parent-teacher association has been formed at Keating to function on behalf of the new Mount Newton High School. It was announced yesterday. At a meeting held recently the following officers were elected: A. C. Lambie, president; Mrs. H. J. Armistead, vice-president; A. Harper, secretary; Mrs. H. D. Watson, treasurer, and Mr. and Mrs. R. W. Mercer, Mrs. Poyntis and Mr. Ayton, members of the executive committee. The regular monthly meeting will be held on the second Tuesday of each month in the high school auditorium at 8 p.m.

Fined on Liquor Charge—Arthur Smay, who pleaded guilty to a charge of illegally selling liquor at 575 Johnson Street, was fined \$400 or three months' imprisonment when he appeared before Police Magistrate George Jay in the city police court yesterday morning. Sergeant Arthur H. Bishop, who conducted a raid on the premises, stated that he found a quantity of beer and some liquor stored in an ice chest. There was no one on the premises when he and the squad entered, although there were two rooms which appeared to be equipped for the sale of liquor.

MILL EMPLOYEES TO VOTE ON NEW TERMS TO CONCLUDE STRIKE

MAILLARDVILLE, Nov. 17.—A vote will be taken Wednesday to decide whether the employees of the Canadian Western Lumber Company, Ltd., will accept the terms offered by H. J. Mackin, local manager of the company, and return to work at Fraser Mills, here. The company's mills have not been operating since early in October.

Employees drawing less than 40 cents an hour are offered an increase in wages to the same amount as they drew before the cut which

cerning new legislation. The committee will prepare a report for submission to the next session of the Legislature.

Will Not Speak Here—A wireless message received yesterday from Hon. Vincent Massey, en route from the Orient to Victoria aboard the Empress of Japan, indicated the expense of the Canadian Club that Mr. Massey regretted his inability to address the club while here. Mr. Massey has been attending the sessions of the Institute of Pacific Relations and states that he will be glad to speak to the club members on his return here in the Spring.

Special Report—In a special report of the finance committee adopted by the City Council yesterday, it was shown that there were no employees in the building inspector's department, the assessor's department, and only one in the treasurer's department having wives in other employment. The one in the treasurer's department concerned a junior clerk receiving \$85 a month, and the committee considered this an exceptional case.

The date of the Christmas sale of work of St. Mary's Ladies' Guild (Oak Bay) has been altered from December 2 to Thursday, December 3.

Ministering Circle
The Ministering Circle of King's Daughters will hold a sale of work in the Rest Rooms, Hibben-Bone Block, on Saturday at 3 p.m.

District W.C.T.U.
The District W.C.T.U. will meet on Friday at 2:30 o'clock, at the Y.W.C.A.

CERTIFICATES GIVEN TO MUSIC STUDENTS

Hollywood Hall was the scene of a piano, vocal and toy symphony program on Saturday, rendered by pupils of Olive Campbell, A.T.C.M., L.M.S.

The chief feature of the evening was the presentation by W. H. Muncey, president of the Victoria Musical Festival, of two silver medals and fifty-two certificates gained during the year at the Victoria Musical Festival, British Columbia Festival, and Toronto Conservatory of Music examinations.

Billy Inglis and Kenneth Cave were the recipients of the medals, and those (most of whom took part in the programme) receiving certificates were: Billy Inglis, Howard Barnett, Kenneth Cave, Anne Crockett, Margaret Walker, Ottillia Miller, Olga Grossman, Jack Inglis, Marian Skellern, Nancy Kyle, Frances O'Neill, Tom Onstey, Constance Barlow, Helen Mitchell, Barbara Wilson, Pauline Griffin, Alice Skellern, Dorothy Plumb, Margaret Worth, Zelma Wille, Winifred Moorehouse, Pamela Griffin, Peggy Lowe, Sheila McAllister, Marguerite Elliott, Dorothy Fuller, Winifred O'Leary, Paul Smith, Dick Higgins. Others taking part in the programme were Peggy O'Neill, Freda Green, Mary Loudoun and Fred Mitchell.

I.O.D.E. Cabaret Held At Saltspring Island

GANGES, Nov. 17—The cabaret organized by the Ganges Chapter, I.O.D.E., on Saturday, under the management of Mrs. M. F. Macintosh, proved a great success. It was held at Harbour House, Ganges, and attended by about 140 guests. In the two large adjoining dancing rooms, in which the entertainment took place, a most artistic scheme of decoration was carried out in red, white and blue streamers, bunting and I.O.D.E. colors. Lovely chrysanthemums of pink adorned the tables in one room; yellow in the other.

Mrs. Macintosh, helped by some of the I.O.D.E. members, was responsible for the room, and Mrs. W. E. Scott and Mrs. Desmond Crofton for the table and flower decorations. An excellent M.C. was found in Mr. C. F. Roberts who, after opening with an introductory song of his own, acted as a radio announcer and carried the programme through to scheduled time, signing off for the singing of the National Anthem before midnight.

In the two quartettes, "Drinking Song" and "Four Jolly Sailors", Capt. M. F. Macintosh, Col. F. Slater, Mr. V. C. Morris and Capt. V. C. Best, delighted the audience, especially in the latter and encore verses.

GRACEFUL DANCER
The star turns of the evening were those given by the young and graceful dancer, Miss Phyllis Addison, both in her Spanish and tap dancing and Mrs. A. Scopes' rendering of "Carmena" and "Little Orphan Annie", which were greatly appreciated.

Chorus and dances, "Could I Reveal" and "Venus", were charming, and proved two of the most attractive items; those taking part were: Mrs. V. C. Best, Misses Betty Abbott, Gladys Berry, H. W. Bullock, Dr. and Mrs. R. Rush, Mr. and Mrs. A. J. Eaton, Mr. and Mrs. D. Layton, Mr. and Mrs. R. Justice, Mrs. Johnson, Mr. and Mrs. A. Inglis, Mr. and Mrs. William Stowes, Mr. and Mrs. P. Lowe, Mrs. G. Wilkes, Mr. and Mrs. A. R. Price, Mr. R. Price, Mr. Patton, Miss D. B. Boushous, Mr. C. King, and others.

PEGGY Salaman, eighteen-year-old English society girl, has successfully completed a London to Capetown flight. She said she was tired of everyday life at home. The flight took her five days, and once she and her co-pilot were forced down in the African jungle. Here she is in her holiday clothes.

TODAY'S RECIPE
PINEAPPLE Upside-Down Cake—1-3 cup butter, 2-3 cup sugar, 2 eggs, 2-3 cup water, 1-1/2 cups cake flour, 3 teaspoons baking powder, 1-3 teaspoon salt, 1/2 teaspoon vanilla. Cream the butter, add the sugar, add beaten eggs, yolk and vanilla. Sift together flour, baking powder and salt. Add to first mixture alternately with water. Fold in stiffly-beaten egg whites. If bread flour is used, use 1-1/2 tablespoons less. While mixing the cake, melt four tablespoons butter and one cup brown sugar or three-quarters of a cup of dark corn syrup in a frying pan. Arrange slices of pineapple in syrup. Pour over the batter and bake in a moderate oven (375 degrees Fahrenheit) for thirty-five minutes. Remove once to dish, turning upside down so that fruit will be on top. Serve hot with hard sauce or whipped cream.—Edith M. Barber.

OWN kind of babies ending in the rhyme:
"But the human baby's far more clever
Than all these others can be ever."

THE SONNET
The difficult sonnet form was illustrated next with a "Sonnet on the Button," and "The Path," this last coming back to the virtue of friendship formed in quiet places.

An admitted "bit of unadorned cynicism" was heard in "To a Crow," and there followed apparent titular paradoxes, "An Ode to a Pig" and "On Washing Dishes," both marked by genuine humor as well as philosophy.

"The Philosopher" was child verse in that it repeated probable child questions, with their underlying profound thought: "How high is the sky?" and "Where does the moon hide itself all day?" and "How many yards of the rainbow would make my mother a gown?" Natural history poems included "The Leopard Skin" and "The Buffalo." "The Doll's Apartment House" and "The Little Girl and Her Doll" showed an understanding of small girls' attachments for their playthings not commonly found among men.

In the latter, particularly, for he had discovered that it is not the big French doll, the Japanese doll, the sailor doll, nor the Indian doll, but "The doll that needs a loving mother."

calling for someone who would "Wash its face and brush its hair," "Tend it with the utmost care; and furthermore, 'T wouldn't mind the work at all. 'For I just love a cuddly doll!"

DESCRIPTIVE
Graceful descriptive poems were shown in "The Wind" and "The New Moon"; Victoria's golden season was recalled in "The Broom," and a familiar beautiful island scene in "Cowichan Gap at Sunset," the last having a particularly beautiful cadence.

It is nostalgia for the final test of poetry, then in "The Near Hills" and "Outward Bound" Dr. Coleman caught the right note. To conclude, he recited "Fortitude" and "The Builder."

Mrs. J. R. Angus moved the vote of thanks.

SALE OF POPPIES
GANGES, Nov. 17.—By the sale of poppies for Remembrance Day, the Ganges Chapter, I.O.D.E., cleared the sum of \$30 for the Legion.

PROFESSOR IS VERSE WRITER

Dr. H. T. J. Coleman Entertains Women's Canadian Club With Poems

Real poets are always philosophers, but not all philosophers are poets, so more than usual interest attached to the recital by Dr. H. T. J. Coleman, professor of philosophy at the University of British Columbia, of some of his own verse given at the Empress Hotel yesterday afternoon, under the auspices of the Women's Canadian Club.

While nearly all had the utmost simplicity of theme, the germ of a great philosophy was wrapped within the lines, and their clarity of idea and cadence made them especially attractive for a public reading. Examples of free verse, poems for children, sonnets, genre poems, and lyrics made up a programme of delightfully varied character.

Supplementing this part of the entertainment was a group of interpreted songs by Mrs. Coleman, who was much applauded on the occasion of her first appearance before an audience here. Her numbers were "The Brook" (Dorian), "Said as the Night" (Bohn), and "Oh, It's Quiet Down Here" (Brae), for which Mrs. H. C. Fraser, recently of Prince Rupert, played artistic accompaniments.

EXAMPLE OF FREE VERSE
Introduced by the president, Mrs. W. G. Wilson, Dr. Coleman said very little either by way of comment or explanation as a preface to the recital of his verse, although he maintained that "not breadth or depth, but continuity of mood," was what he had chiefly sought. He first quoted an example of his free verse in lines beginning:

"Sometimes I write with the stub of a pencil,"

and concluding:

"I am not the person you take me for,
"But I hope you could pity me
"Even if you could not love me,
"For I am the soul of a man."

Then from "The Philistine," in the course of which he disclosed some of his fundamental beliefs, for although to "certain persons I am a Philistine, and worst of all a Victorian, for some of my stories have happy endings," contrary to the majority of modern novelists, he did not consider "love is always an illusion, and sex everything."

In "Faces," (still speaking in free verse) he presented a gallery of types, in which the favorite portrait was suggested in the line:

"I thank heaven there are some faces that shine with a hidden light of humor and understanding, and these brighten the day like the sudden sun on a May morning."

MODERN SIR WALTER
Some human qualities distinguished "History Repeats Itself," in which he narrated an incident of a modern Sir Walter Raleigh, who, a ditch digger by occupation and "Peter" by name, had gallantly spread his shovel over the muddy places in a street so that a modern "Queen Bees" (despite the fact that she wore horn-rimmed glasses and had bobbed hair) might pass cleanly over the place.

A group of animal poems showed keen and sympathetic observation of small plant life, baby pigs, barnyard ducks, baby swallows, all these admittedly being intended to show that material love and care run through the whole of creation, and concluding with the verses about our Legion.

Social and Personal

Personals, Parties Visitors

To Attend Tea
His Honor the Lieutenant-Governor and Mrs. J. W. Fordham Johnson will attend the annual guest-tea to be held at the Y.M.C.A. this afternoon at 3:30 o'clock.

Entertain at Tea
Following the meeting of the Women's Canadian Club yesterday afternoon, the president, Mrs. W. G. Wilson, and executive, entertained at tea in the lounge in honor of Dr. H. T. J. Coleman, the lecturer, and Mrs. Coleman, other guests including Mrs. H. C. Fraser, Dr. S. J. Willis, B. C. Nicholas, Mrs. Gordon Ellis, Mrs. Spofford, Mrs. T. H. Johns and Mrs. Angus. Members of the executive present included Mrs. Wilson, Mrs. Willis, Mrs. Angus Campbell, Mrs. Christie, Mrs. W. H. Gibson and Mrs. P. B. Scruah, and among those who joined the gathering were Miss J. Cann, Miss Kathleen Agnew, Mrs. James Fletcher, Mrs. R. W. Mayhew, Mrs. Jones, Mrs. Dellar, Mrs. J. E. Lane and Mrs. Sutherland.

En Route to Fairhope
Mr. and Mrs. H. H. Gibbs, Newport Avenue, Oak Bay, accompanied by Miss Madeline Gibbs, will leave on Saturday afternoon for Seattle, where they will spend two weeks, en route to Fairhope, Alabama. Mr.

and Mrs. Gibbs will be absent from the city for several months.

Move Into Apartment
Mr. and Mrs. O. G. Hole, of Montreal, who have been guests at the Dominion Hotel for the past several days, have moved into an apartment in the Marine Chalet, Beach Drive, Oak Bay. Mr. and Mrs. Hole will be in the city for several months.

At "Mount Joy"
Mrs. W. Crawley Ricardo, of Vernon, is visiting her brother-in-law and sister, Mr. and Mrs. F. B. Pemberton, "Mount Joy," Poul Bay Road. Mrs. Ricardo was accompanied from the Okanagan by Mr. Ricardo, who has returned to the Mainland.

Return to Vancouver
Captain and Mrs. Bert Blair, of Vancouver, have returned to their home on the Mainland after spending several days in the city as the guests of Mrs. Blair's parents, Mr. and Mrs. A. Plimley, Fort Street.

Return Home from Honolulu
Dr. W. T. Barrett, Broughton Street, who has been spending the past two months in the Hawaiian Islands, returned to his home in the city yesterday afternoon aboard the cable ship Restorer.

Here for Winter
Mr. and Mrs. C. J. Cowan and baby daughter, from Onward Ranch, Cariboo, have arrived in Victoria and will make their residence for the winter at the Oak Bay Hotel.

Move to New Residence
Hon. W. A. and Mrs. McKenzie and family have moved from 2436

To Attend Birthday Tea

MRS. S. F. TOLMIE, an honorary member of the Sir James and Lady Douglas Chapter, I.O.D.E., will hold its November programme at the Shrine Hall at 3:45 o'clock this afternoon, the soloists to be Mrs. Arthur Dowell, soprano; Thomas Kelway, tenor, and Miss Dorothy Morton, pianist.

Windor Road, Oak Bay, to their new residence, "Aloha," Lansdowne Road, The Uplands.

Coming From Vancouver
Mrs. H. E. C. Carry is expected from Vancouver on Sunday. She will be the guest of Mrs. E. G. Prior, St. Charles Street, during her visit.

Visitors From Island
The Misses G. and A. Mackay, of South Pender Island, are visiting in the city. They are making their home while here at the Strathcona Hotel.

Return From Seattle
Miss Margaret Homer Dixon and Miss Lorna Hall have returned to their homes in the city after spending a few days in Seattle.

Go Back to Mainland
Captain and Mrs. Reginald Chaplin, of Vancouver, have returned to their home on the Mainland after spending a few days in the city.

Go to California
Mr. and Mrs. W. D. McCallum, Craigdarroch, left recently for California, where they will spend some time.

Kamloops Visitors
Miss V. Anderson and Miss K. McPherson, of Kamloops, are visiting in Victoria. They are staying at the Dominion Hotel.

From Up-Island
Mr. and Mrs. G. Lane, of Qualicum Beach, are in the city. They are registered at the Dominion Hotel.

Bridge Hostess
Mrs. H. B. Andrews entertained at a delightful bridge party yesterday afternoon at her home on Davis Street.

In Hospital
Mr. Arthur Patterson, Wellington Avenue, is recovering after a serious operation in the Jubilee Hospital.

Visiting the City
Mr. and Mrs. G. Share, of Duncan, are in town and are guests at the Strathcona Hotel.

Chemist's Visitor
Mrs. R. Finlayson, of Chemainus, is a guest at the Strathcona Hotel.

At Empress Hotel
Mrs. A. Rhodes, of Cowichan, is a guest at the Empress Hotel.

From California
Mrs. A. Hall, of Long Beach, is a guest at the Dominion Hotel.

ST. ANDREW'S GUILD
HOLDS SILVER TEA IN LECTURE ROOM

The Women's Guild of St. Andrew's Presbyterian Church held a silver tea recently in the lecture room of the church. The tea tables were attractively arranged with many varieties of chrysanthemums. Mrs. J. P. Jaffray, pianist, played several Scottish airs during the afternoon, which were enjoyed by the guests.

CANADIAN GIRL WINS HONORS FOR FENCING

TORONTO, Nov. 17 (CP).—An honor coveted in the capitals of Europe has been won by Miss Frances Campbell, Toronto debutante. Miss Campbell has just returned from London, where she reached the semi-finals in an international women's fencing competition. She is the first Canadian woman to obtain the Brassard d'Or, the official mark of skill in fencing, presented by the Salle Gardere of Paris, famous fencing club.

Roses in Bloom
NANAIMO, Nov. 17.—Mr. Robert Perry, of Nanaimo, rose and carnation specialist, arrived in town yesterday with a beautiful bouquet of roses, of variegated colors, from buds to full bloom, which he gathered in his garden.

Sweden's store chains are growing.

Junior Auxiliary Party Attracts Many Guests

Bridge and Mah Jong Tea at Jubilee Hospital Nurses' Home Aids Funds of Junior W.A.—Affair Nets About \$200

The first of this winter's special social functions to be held by the Junior Women's Auxiliary to the Royal Jubilee Hospital took the form of a bridge and mah jong party yesterday afternoon and evening in the Nurses' Home of the hospital and proved a great success. The big recreation room was thronged with bridge players, and mah jong was played in the reception-room, while in another of the smaller dining-rooms fortune telling attracted a large number of the guests.

Tea was served in the entrance hall, the table being prettily arranged with a green glass bowl of chrysanthemums, flanked with branched silver candelabra holding tall green tapers. Many additional tables in the entrance hall were occupied by the president, Mrs. Dorothy Scott, and other members of the auxiliary.

In the afternoon the prize for contract bridge was won by Miss Jean MacLachlan; auction bridge by Mrs. J. R. Clarke, and mah jong, Mrs. King. Among those who arranged tables in their own homes in aid of the auxiliary's fund were Lady Barnard, Miss Galt, Mrs. L. A. Genge, Mrs. P. A. Irving, Mrs. A. N. Mount, and Miss Gladys Irving.

AFTERNOON PLAYERS
The afternoon players included Mrs. R. T. Elliott, Mrs. Robertson, Mrs. David Spencer, Mrs. Brown, Mrs. Richardson, Miss Angus, Mrs. D. M. Riddell, Mrs. E. McQuade, Miss Barbara Twigg, Miss Jean Lennox, Miss Kathleen Wilson, Miss Pamela Charleswood, Miss K. Hall, Miss Kathleen Swayne, Mrs. Carmichael, Mrs. D. Elliott, Mrs. Albert P. Griffiths, Mrs. A. J. Fraser, Mrs. C. J. V. Spratt, Mrs. Guy Arnould, Mrs. Eric Birch-Jones, Mrs. J. R. Louie Pollard, Mrs. J. R. Clarke, Mrs. J. Donald, Mrs. H. Genke, Mrs. D. McLeod, Mrs. Rose (Pittsburgh), Mrs. Archer Martin, Mrs. Durand, Mrs. C. P. Hill, Mrs. Alan Swinton, Miss Ena Short, Miss Hall, Miss Margaret Dixon, Mrs. Angus McKeown, Mrs. Guy Sheppard, Mrs. J. Collison, Mrs. N. Taylor, Mrs. Frances Hamersley, Miss Jean MacLachlan, Mrs. Arthur Nash, Miss Mary Martin, Mrs. S. Walker, Mrs. J. Bryant, Mrs. W. E. Lord, Mrs. L. A. Grogan, Miss Therese Kerr, Helen Campbell, Miss Patsy Rineas, Miss Vida Shandley, Miss Sheila McBride, Mrs. D. B. Holden, Mrs. T. H. Burns, Mrs. T. Ling, Miss Esther Alexander, Miss Anne Sherwood, Mrs. H. T. Goodland, Mrs. R. P. Castle, Mrs. Hugh Peters, Mrs. E. M. Pearce, Mrs. Reding, Mrs. Hiscoks, Miss Lovell, Miss C. Lovell, Mrs. R. W. Gibson, Mrs. J. McIntosh, Mrs. Waugh, Mrs. Denton Holmes, Miss Dorothy Crump, Miss Constance Waugh, Miss Fraser, Mrs. A. Farrer, Mrs. Ferguson, Mrs. J. Hardman, Miss Duncan, Mrs. Paul, Mrs. Anderson, Mrs. Blythe, Mrs. Tod, Mrs. Dunlop, Mrs. F. J. D. Pemberton, Mrs. R. B. Wilson, Miss Norah Wilson, Miss Dawson, Mrs. Ashworth, Mrs. N. Taylor, Mrs. Sydney Barker, Mrs. R. J. Jameson, Mrs. Bruce Hutchison, Miss Dorothy Genke, Miss Elaine Gallinger, Mrs. T. Montgomery, Mrs. Harold Barr, Mrs. H. H. Shandley, Mrs. A. Nixon, Mrs. Moore, Mrs. C. H. Topp, Mrs. T. A. Matlick, Mrs. T. R. Cusack, Mrs. F. J. Brimer, Mrs. Bridgwood, Mrs. Stuart, Mrs. Jennings, and Mrs. Bagley.

BURNSIDE BOWLERS
The biweekly bridge game of the Burnside Lawn Bowling Club will be held in Hampton Hall this evening.

Victoria Musical Arts Meet Today
The Victoria Musical Arts Society will hold its November programme at the Shrine Hall at 3:45 o'clock this afternoon, the soloists to be Mrs. Arthur Dowell, soprano; Thomas Kelway, tenor, and Miss Dorothy Morton, pianist.

The complete programme is as follows: Mrs. Arthur Dowell, "Ail-lu" (Monart); "Fair Dreams" (Duzdecia); "Dawn, Gentle Flower" (Bennett); Miss D. Morton, "Pastorale Varie" (Moutart); "King" (Schubert-Litz); Thomas Kelway, "O Paradiso Sord" (Moutart); "Che Gelida Manina" (Puccini); "Where'er You Walk" (Handel). Guest tickets will be available at the door.

I.O.D.E. Activities

Bishop Cridge Chapter
The Bishop Cridge Ministering Chapter met yesterday afternoon at the home of Mrs. W. B. Pease, Campbell Bay Road, a large number of members attending. A standing vote of sympathy was passed to Mrs. J. H. Gillespie on the death of her mother, Mrs. J. H. Todd. A good deal of finished work was brought in and tentative plans made for the winter's activities. A letter of sympathy will be sent to Mrs. Allison, a member of the chapter, on the death of her mother, Mrs. McBride, and also of her brother. It was reported that a wreath of poppies had been placed on the Cenotaph on Remembrance Day. At the conclusion of the meeting two verses of the National Anthem were sung.

Anglican Young People
St. John's
The following programme will be given at the concert to be held by the A.Y.P.A. of St. John's Church on November 18: "Prelude" (Rachmaninoff); Roberta Bonouy; recitation, "Pierre Marchand," "Jack" Laver; vocal duet, "Just a Wearying Day," Clarendia Jeeves and Hughie Bowden; piano solo, "Aloha, Sunset Sand," Evelyn Dawson; stunts by "Jim" Macdonald; recitation, "The Owl Critic," Hughie Bowden; vocal, "Tears," Clarendia Jeeves; play, "Pa's New Housekeeper," cast: Pa Jackson, John Hooper; Jimmie Jackson, "Jim" Macdonald; Jack Brown, "Jack" Laver; Mattie Jackson, Helen Thomas; Mollie Holbrook, Jack Smith. Miss H. Bowden is the convener and Mr. John Horner the business manager.

Rebekahs to Greet President Tonight
NANAIMO, Nov. 17.—The Nanaimo Rebekahs postponed a social function last evening until Wednesday night, when they will receive an official visit from Mrs. Turvey, who is president of the Rebekahs' Assembly of British Columbia. The affair which was to have been held last evening was postponed as the result of a car accident in which Mrs. Edith R. V. Todd, of Victoria, was injured, and Mrs. Gladys Turvey, of Chilliwack, escaped with a slight shock, when the car in which they were proceeding to Nanaimo to attend the function last evening went over a hundred-foot embankment at Arbutus Canyon. The car was badly damaged.

Elks Hold Party
DUNCAN, Nov. 17.—The fifty people who last night faced the very inclement weather to attend the party given by the local Elks, were amply rewarded as the affair proved one of the most enjoyable of the season. Bridge and five hundred were played, the prize winners being, for bridge, Mrs. H. N. Watson and Corporal Mustard; five hundred, Mr. and Mrs. J. W. Auchincloss. The proceeds are to be given towards the Elks' Christmas fund. Another card social for the same fund will be held on November 30.

Kitty McKay
By KINA WILCOX PUTNAM

The girl chum says a real sticker for efficiency is a man who, on being told to count sheep to rid himself of insomnia, will put an adding machine at his bedside.

Week's Supply Free
Make a 30-day test of Postum. We'll send you one week's supply free. Write General Foods, Limited, Sterling Tower, Toronto 2, Ontario.

The Children's Favourite
Many children do not like the taste of milk. They like to have the same drink as the "grown-ups". It is good for them to have a hot drink. Make Instant Postum for them using hot milk (not boiled) instead of boiling water. They'll like it!

LAMPS for Colorful Charm
NOTHING so accentuates the charm of your home as the attractive beauty of decorated lamps. And from the delightfully varied and tasteful collection of modern lamps now on display at our shops you can select just those particular lamps which will make your rooms charmingly complete.

ARE you aware also that a lamp will make a most acceptable Christmas gift? Come in today and see the special display at both our Langley and Douglas Street stores.

Auxiliary Party Aids Sea Cadets

Mr. and Mrs. P. F. Curtis lent their home on Prospect Place, Oak Bay, last evening, for a bridge party held by the Women's Auxiliary to the Navy League, in aid of the Sea Cadets' fund. Eleven tables were in progress during the evening, Mrs. J. A. Phillips being convener of the bridge, and supper was served later, Mrs. W. M. Holman and Mrs. L. A. Lucas acting as conveners.

The players included Mr. and Mrs. Mitchell, Mr. and Mrs. Sydney Wood, Captain and Mrs. H. B. Andrews, Mr. and Mrs. P. B. Fowler, Mr. and Mrs. J. W. Clarke, Mr. and Mrs. Wickson, Mr. and Mrs. Guy Ford, Mrs. H. W. R. Moore, Mrs. Guy Shaw, Miss Kenny, Miss A. Renny, Miss Angus, Miss Amy Angus, Mrs. H. J. Francis, Miss V. Noble, Mrs. Baker, Mrs. H. K. Prior, Mrs. McIntyre, Mrs. Drummond-Hay, Mrs. A. O. Carlson, Miss Doreen Drummond-Hay, Mrs. Bannerman Campbell, Mrs. Clifford Adams, Miss I. Sherman, Mrs. B. Staines, Miss E. Kinzig, Miss Audrey Wood, Mrs. Duncan Bain, Mrs. Thornton Marshall, Mr. Statham, Mrs. R. W. Hurst and Miss Ashworth. Mrs. W. H. Molson also reserved a table, playing at home.

Young People Meet
QUALICUM BEACH, Nov. 17.—Miss Elsie Golding, vice-president, was in the chair at the regular meeting of the United Church Young People's Society, which featured an interesting programme. Miss P. Barber led a discussion appropriate to Remembrance Day, the subject being "Peace and Poets." The devotional period was led by Mr. Craig Reid.

The United Church was well filled when Rev. Kenneth H. Prior, B.S.A., of West Africa, delivered a most interesting lecture on the work of the United Church on that continent.

SCHOOLS TO BE
OPENED TODAY

Hon. Joshua Hinchliffe Will
Dedicate New Saanich
High Schools

Two of the three new Saanich high schools will be officially opened today by Hon. Joshua Hinchliffe, Minister of Education. The schools to be dedicated are the Mount Newton High School at Keating and the Mount Douglas High School on Cedar Hill Road.

The third school, situated on Carey Road, is still under construction and will not be ready for occupancy until early next year. No name has yet been selected for this school.

The first ceremony will take place at the Mount Newton school at 3 o'clock this afternoon. A. G. Smith, principal, will be master of ceremonies. Among those present will be Chairman F. V. Hobbs, of the school board, and the trustees: Reeve William Crouch and members of the council; C. E. King, the first chairman of the Saanich School Board, and W. Campbell, the first secretary.

WILL PRESENT MEDAL
In the absence of Premier S. F. Tolmie, Mrs. Tolmie will present a medal to the youngest student to pass the entrance examinations last Summer. She is Patricia Young, who was eleven years old last May.

The programme will include speeches from the various municipal representatives and by Mr. Hinchliffe, who will formally declare the school open. A tablet has been erected at the school and at its unveiling the dedicatory speech will be made.

A similar programme has been arranged for the Mount Douglas School. B. Bailey, principal, will be master of ceremonies. The ceremony at this school will be held at 8 p.m. The auditoriums of both schools will be used for the ceremony. A programme of musical numbers has been arranged by the students for the occasion.

IMPROVEMENT
SEEN IN WEST

John F. Sweating, C.P.R. Industrial Commissioner, Expresses Optimism Regarding Future

"Generally, throughout the West, the situation shows improvement, and there is certainly a definite tendency to go forward, to take advantage in all possible ways of business that can be secured and built up. The outlook today shows little pessimism, the West having recovered its balance, making the best possible use of each avenue that opens for the creation of new business, and believing that the new period for advancement is close at hand."

This is the way in which John F. Sweating, industrial commissioner of Western lines, C.P.R., refers to the situation in the West in his latest report.

Western construction work up to the end of September is valued at just under \$50,000,000, Mr. Sweating says. Construction has certainly not met requirements in many lines, and while there has been a fair number of residences constructed, there is still a dearth of modern houses available. During the balance of the year contracts will, it appears, largely consist of the various relief schemes, covering new bridges, drainage and road building extensions, together with some public buildings.

Manitoba has two major contracts in the construction of a new science building for the University of Manitoba and the rebuilding of the Salter Street Bridge in Winnipeg, both of these projects costing more than a million dollars.

"What's the cause of Panet's unpopularity?"
"She won a popularity contest."

Mothers, Mix This
At Home for
a Bad Cough

You'll be pleasantly surprised when you make up this simple home mixture and try it for a cold, cough, croup or a sore throat. It takes but a moment to mix, costs little, and saves money, but it can be depended upon to give quick and lasting relief.

Get 2½ ounces of Pinex from any drugstore. Pour this into a 16 oz. bottle; then fill it with plain granulated sugar syrup or strained honey. The 16 ounces thus made costs no more than a small bottle of ready-made medicine, yet it is much more effective. It is pure, keeps perfectly and children love its pleasant taste.

This simple remedy has a remarkable three-fold action. It goes right to the seat of trouble, loosens the germs, phlegm, and soothes away the inflammation. Part of the medicine is absorbed into the blood, where it acts directly upon the bronchial tubes and thus helps inwardly to throw off the whole trouble with surprising ease.

Pinex is a highly concentrated compound of Norway Pine, containing the active agent of creosote, in a refined palatable form, and known as one of the greatest medicinal agents for severe coughs and bronchial irritations.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

Burgess Bedtime Stories

The Good Giant

By THORNTON W. BURGESS

Think ill of others when you must. But cling to faith and hold to trust.
—Farmer Brown's Boy.

It was two days before Farmer Brown's Boy had another chance to visit the rock slide where the Pikas lived. Those had been busy days for Little Chief and Mrs. Little Chief, busy but happy days. They were sunny days, the very best kind of days for making hay, and these little people had made most of the opportunity. So when Farmer Brown's Boy got back there again there was no longer a lot of green grass and other plants sprouting out on the rocks to dry.

"I wonder what they have done with it," said he, and started to search among the rocks. Presently he found a big mound of hay carefully stacked against a big rock. It wouldn't have seemed a big stack to you perhaps, but when you consider the small size of the little haystackers it really was a big stack. He examined it carefully.

"It is good hay," said he. "Those little folks know their business. It is well cured and unless it gets wet through will not sour or spoil in any way. I wonder if they will leave it here or will store it away somewhere. Hello, it looks as if there is going to be a shower. It is a good thing that I brought a rubber coat along."

He put the coat on and then found a sheltered place under a shelf of rock as the first raindrops came pattering down. The shower lasted about half an hour, and it poured. Then the sun came out again. Farmer Brown's Boy went over near the stack of hay, spreading his coat on a flat rock, sat down to see what would happen. He didn't have to wait long. A fine, sunny breeze came from close by and then another. They were repeated and in them was a worried, anxious note.

"Little Chief and his mate have discovered me," thought Farmer Brown's Boy, "and are worried. They are anxious about their hay and they are afraid of me. I'll sit perfectly still and see what will happen."

Presently Little Chief appeared and after him Mrs. Little Chief. They looked more anxiously at Farmer Brown's Boy than at the pile of hay.

"What do you suppose that giant is doing here?" asked Little Chief. "I don't know, but if he don't go away our hay will spoil and all our hard work will go for nothing," replied Mrs. Little Chief.

"He doesn't move," said Little Chief. "As you say, my dear, that hay must be attended to. Perhaps he means no harm."

For some time they watched Farmer Brown's Boy, and not once did he move. Little Chief ventured a few steps nearer. Nothing happened. He went a little nearer and then hastily ran back. A third time he tried it and this time he held his ground. Then Mrs. Little Chief got up courage enough to join him. Finally they reached the haystack, and at once they seemed to forget the giant as so near. That hay was wet, and it needed to be spread and dried at once. There was no doubt about it.

So they went to work pulling that stack apart and spreading the wet hay on the rocks in the sun. They knew it would take only a little while for it to dry, and they worked fast. This was their winter food and they couldn't afford to take any chance with it. Every now and then they glanced at Farmer Brown's Boy, and as he didn't move, they gained confidence. Not until they had the hay all spread did Farmer Brown's Boy

IMPORTANT SENIOR RUGBY GAMES CARDED

J.B.A.A. to Meet Brigade, and Navy Faces Oak Bay XV

Outcome of Both Fixtures Saturday Will Hold Interest of Fans—Triple Tie May Be Created by Results—Grounds Not Yet Settled—Intermediates to Play

College to Battle Wanderers

Rugby, and plenty of it, will be dished out to the fans Saturday afternoon by the officials of the Victoria Union. Two senior and three intermediate fixtures are scheduled, and like last week, some first-class exhibitions of the English code are expected. In the senior division J.B.A.A. will tangle with the 5th Brigade, while the Oak Bay Wanderers will fight it out with the Navy. The games will start at 3 o'clock but the grounds are not yet settled upon. With the first half championship within its grasp, Victoria College is determined to capture the honors by taking the Oak Bay Wanderers into camp in the feature tussle on the Intermediate League programme at the Victoria High School grounds. The

5th Brigade will clash with Brentwood College, while the J.B.A.A. fifteen will journey to Mount Tolmie to take on the University School. All games will commence at 3 o'clock. Both senior games are important in more ways than one. A win for the navy squad will put them in a tie for first place with the powerful Canadian Scottish, who will be idle while victory for the oarsmen will create a triple deadlock, that is, if the sailors down the Oak Bay lads. Members of the Scottish aggression will watch the outcome of both games as they will affect the league standing.

GUNNERS AFTER WIN
The gunners will be after their first win at the expense of the oars-

Leo Lomski Will Meet Stribling In Portland Ring

ATLANTA, Ga., Nov. 17 (AP).—Leo Lomski, father and manager of Young Stribling, announced today his son's next ring battle will be with Leo Lomski in Portland, Ore., in December.

"We have signed for this match and two others," Lomski said. "One is in Seattle and another in Spokane, both following the Lomski engagement."

men. J.B.A.A. need a win to keep in the running for the first half race and are fielding their strongest fifteen with hopes of gaining the points. In their first appearance against the Scottish, the gunners showed that they are full of fight and never give up until the final whistle. With that kind of spirit, they will be feared throughout the schedule.

Oak Bay Wanderers hope to end their losing streak with the navy as their victims. The sailors used their weight and speed to great advantage last week by trouncing the J.B.A.A. fifteen by an 11-7 score and are confident of plunging their way to victory over their opponents.

College's colors are expected to continue to fly undefeated following their engagement with the Wanderers. A win for the Craigdarroch fifteen will give them the first half crown, despite the fact that they have an argument with the J.B.A.A. on November 28, the date the curtain falls on the initial part of the schedule.

The 5th Brigade will be fighting to go into a tie for second place when they meet Brentwood on the latter's home field. Both these squads have suffered one reverse this season and College was responsible for them. J.B.A.A. and University School will be striving for their first win. Due to the school's great showing against the collegians, they are slight favorites to down the oarsmen.

Alabama Gridman Dies
NEW YORK, Nov. 17.—The death of James Nichols, centre on the University of Alabama freshmen football team, at Tuscaloosa today brings to thirteen the number of deaths from football this fall. Nichols' fatal injury was received in a practice session Armistice Day.

NAVY XI TO CLASH WITH BAYS TODAY

Strong Midweek Soccer Teams to Meet This Afternoon at Athletic Park

SAANICH UNITED TO FACE GARRISON XI

With only two more weeks of football left on the calendar in the Hayward Cup series, squads in the Wednesday League will swing down the home stretch this afternoon. Hudson's Bay, present leaders for the silverware, will tangle with the Navy, while Saanich United will battle it out with the Garrison at Beacon Hill at the same hour. Both games are important and good attendances are expected at the two parks.

The fixture at the enclosure will hold the interest of the fans. A win for the sailors will put them in a deadlock for top berth with the departmentals, while a decision for Manager Dick Eaton and his green-shirted will practically give them the trophy. With both teams fielding their best bets, one of the closest games of the series should be the result.

Garrison need the points to keep in the running for the cup and will be out to defeat Saanich United. The suburbanites are going along at a comparatively better pace lately and are determined to avenge the 10-0 setback handed to them by the Tommies in their last clash at Work Point Barracks.

Line-ups follow:
Hudson's Bay — Shrimpton, McKenzie, Menzies, Oakman, Woodley, Cull, Taylor, Fish, Armstrong, Small and Newell; reserve, J. Stewart.

Series Between Prairie Cities May Take Place
CALGARY, Nov. 17 (CP).—Possibility of a professional hockey series between Edmonton and Calgary this winter is expressed by Calgary hockey magnates. Failure of the Pacific Coast League to operate this year has left a number of hockey stars as free lancers. It is stated. As a result, it is reported, the free lancers will form a team in Edmonton and one in Calgary to play twelve games this winter, six in each city.

Decision Will Be Reached Saturday On Hockey League

EDMONTON, Nov. 17.—Whether a pro hockey league will operate in Western Canada this winter will be definitely decided here Saturday. It was announced by Gordon B. "Duke" Keate, Edmonton star.

The meeting will be attended by as many representatives from Prairie cities as possible, and will discuss plans for a four-team league, including Calgary, Edmonton, Saskatoon and Regina; and a three-team league including Calgary, Edmonton and Saskatoon.

Keate suggested the league. It formed, would be called the Pacific Charty Professional Hockey League, because it was being sponsored by chess hockey players.

Christ Church and J.B.A.A. Chalk Up L.L. Badminton Wins

Christ Church and J.B.A.A. scored victories in the Lower Island Badminton League by defeating Christ Church No. 1 and Hillcrest, respectively, on Saturday evening. The churchmen's first stringers trounced the No. 2 squad, 14-2, while the oarsmen took a 11-5 decision from Hillcrest.

Scores in the match between the Christ Church teams follow, with the No. 1 team players first named:
WOMEN'S DOUBLES
Mrs. White and Mrs. McQuade beat Mrs. Simpson and Miss Love, 15-2.
Mrs. Pritchard and Mrs. Long beat Mrs. Simpson and Miss Love, 15-6.
Mrs. Pritchard and Mrs. Long beat Mrs. Simpson and Miss Love, 15-5.

MEN'S DOUBLES
Fish and Barnes beat Wallace and Connon, 15-13.
Pritchard and Baxendale beat McQuade and Taylor, 15-13.
Fish and Barnes beat McQuade and Taylor, 15-13.

MIXED DOUBLES
Fish and Mrs. Long beat Wallace and Mrs. Simpson, 18-13.
Barnes and Mrs. McQuade beat Wallace and Mrs. Simpson, 15-8.
Barnes and Mrs. McQuade beat Connon and Miss Love, 15-7.
Fish and Mrs. Long beat Connon and Miss Love, 15-11.
Mr. and Mrs. Pritchard beat McQuade and Miss Redding, 9-15.
Baxendale and Mrs. White beat McQuade and Miss Redding, 15-12.
Barnes and Mrs. McQuade beat Taylor and Miss Simpson, 15-6.
Mr. and Mrs. Pritchard beat Taylor and Miss Simpson, 17-14.

Scores in the Hillcrest-J.B.A.A. match, with the former players first named, follow:
WOMEN'S DOUBLES
Miss Burton and Mrs. Peers lost to Mrs. Foote and Miss Wiley, 15-18.
Miss Brakes and Mrs. Smith lost to Mrs. Hauley and Miss Boyce, 10-15.
Miss Burton and Mrs. Peers won from Mrs. Hauley and Miss Boyce, 15-12.
Miss Brakes and Mrs. Smith lost to Mrs. Foote and Miss Wiley, 6-15.

MEN'S DOUBLES
Chandler and Hobson won from Hauley and Thomas, 18-17.
Ward and Promson lost to Scott and Mellor, 6-15.
Chandler and Hobson won from Scott and Mellor, 15-10.
Ward and Promson lost to Hauley and Thomas, 0-15.

MIXED DOUBLES
Miss Burton and Chandler won from Mrs. Foote and Scott, 17-14.
Mrs. Smith and Hobson lost to Miss Wiley and Hauley, 6-15.

Miss Brakes and Warder lost to Miss Boyce and Mellor, 8-15.
Miss Burton and Chandler won from Miss Wiley and Hauley, 15-10.
Mrs. Smith and Hobson lost to Mrs. Foote and Scott, 10-15.
Mrs. Peers and Promson lost to Miss Boyce and Mellor, 14-17.
Miss Brakes and Warder lost to Mrs. Hauley and Thomas, 12-15.

WOODSMEN JOIN SENIOR LEAGUE
Former Intermediate Hockey Club Added to Thunder Bay Amateur Loop

PORT ARTHUR, Nov. 17.—Lake Head Woodmen, last year's Thunder Bay Intermediate hockey champions, were accepted as the third team in the senior league with Port Arthur and Port William at the annual meeting of the Thunder Bay Amateur Hockey Association held here last night. Port Frances has dropped from the league, but expects to challenge for the district junior title.

Four junior teams filed application and were accepted. West Port William Maroons, Port William Juniors, Port Arthur Juniors and Port Arthur West Ends.

No action was taken with regard to the January 1 residence rule, it being the opinion of the meeting that Port Arthur and Port William will not be materially affected by the recent ruling.

J.B.A.A. Cagers Will Hold Dance Saturday Evening
Members of the J.B.A.A. basketball team will hold another of their popular socials and dances on Saturday evening at their headquarters at the Gorge. The women's quintette will be hosts during the evening, and members of the visiting squads will be their guests. Dancing will follow the two cage fixtures and will conclude at 9 o'clock.

Conacher Comes To Terms With Montreal Team

MONTREAL, Nov. 17 (CP).—The management of the Montreal Maroons, of the National Hockey League, came to terms with Lionel Conacher, hold-all defence star, just before the game with Montreal Canadiens here tonight.

The "Big Train" immediately donned a uniform and was on the players' bench with his teammates when the game started.

SLATER WINS MATSON CUP

Captures Gulf Islands Golf Meet and Coveted Trophy—Prizes Presented

SALTSpring, Nov. 17.—After a most successful three days, the Gulf Islands championship tournament, held on the Saltspring Island golf course, came to an end last week.

Preceding the presentation of prizes by the wife of the president, Mrs. W. E. Scott, the president gave a short address and spoke of the success of this, their first championship tournament. He welcomed the visitors and congratulated the winners and hoped they would come again and bring others when the next annual tournament took place, in future to be held much earlier in the year, while weather conditions were more favorable.

Perhaps on that occasion Saltspring could be able to keep one of the trophies on the island. He referred to the course and the great improvements which had taken place in the last few years, since the initial games played amongst the stubble. Mr. Scott, in the name of the club, congratulated and thanked Frank Speed, trustee of the cup, and the committee associated with him. The prizes were then given.

After a splendid fight between Col. A. F. M. Slater and W. G. Rose, the Jack Matson Gulf Islands Championship Cup for men was won by Colonel Slater, Victoria, by 2 up.

The Morris Carmichael Gulf Islands Championship Rose Bowl, Mrs. W. Morten.

Gulf Islands golf championship, 1931, men, runner-up, W. G. Rose. Gulf Islands golf championship, 1931, ladies, runner-up, Mrs. W. F. Evans.

Gulf Islands golf championship, 1931, winner first flight, ladies, Miss D. Crofton.

Runner-up, first flight, men, V. C. Morris. Prize presented by George Strath.

Runner-up, first flight, ladies, Miss D. Crofton.

Gulf Islands golf championship, 1931, lowest score qualifying round, men, Dermot Crofton.

Gulf Islands golf championship, 1931, lowest score qualifying round, ladies, Mrs. Morten.

Second flight, men, W. A. McAfee. For man with largest score in qualifying round, prize presented by the Sidney Roofing Co., Ltd., Fred Morris.

Approach shot, men, first prize, Rev. George Atkins, prize presented by G. W. Simpson, of Canadian Fairbanks-Morse Co., Ltd., Victoria.

Approach shot, women, first prize, Mrs. A. Inglis.

Approach shot, women, second prize, Miss D. Crofton.

At the close of the prize-giving tea was served in the clubhouse. Among those present were Miss Aikens, Mr. and Mrs. C. W. Baker, Mrs. Charles Worth, Miss Denise Crofton, Mr. Desmond Crofton, Mr. Sidney d'Este, Mr. A. Inglis, Miss Betty Kingsbury, Mrs. Charles Macintosh, Mrs. V. C. Morris, Mrs. W. Norton, Mr. Penrose, Mrs. Scott Robinson, Mr. and Mrs. T. F. Speed, Mrs. Cecil Springfield, Mrs. A. J. Smith, Mr. and Mrs. N. W. Wilson, Miss Bride Wilson, Mr. Graham Shore, Mr. P. Crofton and several others.

COMMERCIALS AND BUYATS IN FEATURE

Senior Cagers Will Hold Limelight at High Gymnasium Tonight

TWO PRELIMINARY GAMES SCHEDULED

Bent on avenging a defeat handed to them in their last clash, the Commercial will take the court against the Buyats this evening at the Victoria High School gymnasium in a senior "A" cage fixture in the Victoria and District Basketball League, confident of leaving the floor with the score board reading in their favor. Both quintettes are keyed to a high pitch and one of the closest struggles of the year is predicted. One of the season's largest crowds is expected to fill the gymnasium.

In the opening battle, Normal School will pit their skill against the last-travelling Keating squad in a senior "B" men's attraction, while the Blue Birds will tussle with the Standard Steam Laundry in a women's senior "B" attraction in the second game.

As the fans know, the Commercial line-up is comprised of the same material which ran rings around the University of British Columbia team last year in the first half in the provincial final, but crumpled in the last canto to lose the title. U.B.C. went on to win the Dominion championship, which, no doubt, should have come to Victoria, had the local cagers used their heads.

Therefore, basketball as played by the best of them, is expected to hot away this evening when these two quintettes get together. A win for the Buyats will put them in a tie for first place with the Commercial. Tommy Macdonald will handle all games, the first of which will start at 7:30 o'clock.

BURNETTS WIN ROLLER-FIXTURE

Defeat Jones Brothers in Senior Division, 9-8—Cougars Down Capital Shoe

With Dick Atwood, centre forward, skating through the defence for six goals, the majority of which came in the final period, Burnetts created a mild surprise in local roller hockey circles last night at the King rink by scoring a 9-8 victory over Jones Brothers in the senior division. Jones Brothers were city champions last season under the colors of Victoria City. Cougars took the Capital Shoe Repair for a 6-1 ride in the opening intermediate fixture.

With the score deadlocked at four-ball at the beginning of the third period, the senior squads set a fast pace to the final whistle. Atwood's brilliant stickhandling and shooting was the highlight of the last session, as he skated through his opponents' defence to beat Westdale with rifle shots. Frank Whitford refereed.

Teams follow:
Burnetts — Chambers, Cameron, Shoultice, Atwood (6), Smith, McPhee, Fish (1), Gelling (2).

Jones Bros. — Westdale, Drysdale (2), Felleit (1), Urwin (1), Barnswell (1), Rush (3), de Blaquiere.

Cougars — Timothy, White (1), Sutton, Crump (2), Barnswell (2), West, Anderson, Spain (1).

Capital Shoe — Holmes, Milton, Foyer, Bloomfield (1), Pattullo, Essler, Parsons and Potia.

TORONTO TO HAVE REGATTA COURSE
TORONTO, Nov. 17 (CP).—Plans for construction of a regatta course in front of the Exhibition Grounds, here were unanimously approved yesterday by the City Council. The course will be a mile and a quarter in length and from 280 to 500 feet in width. It will cost \$346,000.

Two Fishermen Drown
PORTAGE LA PRAIRIE, Man., Nov. 17 (CP).—George Lebel, aged twenty, and George Cruzille, aged twenty-one, were drowned in Lake Manitoba today when the boat in which they were inspecting fishing nets was swamped in heavy waves a quarter of a mile from shore. The bodies have not been recovered, as the lake is too rough to permit of dragging operations.

CONCEDES ELECTION
EDMONTON, Nov. 17 (CP).—Election of W. E. Payne, K.C., Conservative candidate in the Red Deer provincial constituency by-election, was conceded by Premier J. E. Brownlee here tonight.

PRESUMED DEAD IN ENGLAND SHE GETS DIVORCE IN CANADA
SASKATOON, Nov. 17.—Presumed dead by the English courts on application of her husband, who testified that he had not heard of her for seven years, Mrs. Emily K. L. Smith, of Saskatoon, today obtained a decree nisi of divorce when the court found that her husband had married again overseas. The decree will become absolute in three months. The couple were married here in 1923 and the husband later left for the United States and England.

Filipinos May Take Example From Gandhi
MANILA, P.I., Nov. 17 (AP).—An economic boycott of the United States should the Philippines plea for independence fall in the next United States Congress was proposed today in a manifesto of a new extremist organization, the Philippines Civic Union, which announced a mass meeting for next Sunday.

Vicente Sotto, president, said a general civil disobedience campaign, like that of Mahatma Gandhi in India, also was on the organization's programme.

EARL OF LISTOWEL DIES
EXETER, Eng., Nov. 17 (AP).—The Earl of Listowel, famous big game hunter, died at his home here Monday, and the title passes to his twenty-five-year-old son who caused a sensation at Cambridge three years ago by announcing that because of his Socialist beliefs, he would give up his country title and would devote his fortune to the poor.

He has given no indication as to whether he will accept the title and estate which he now inherits.

GRANTED REMANDS
Sue Smith, charged with being the keeper of a place prohibited under sections of the Criminal Code, and three others, Barbara White, Patricia Burke and Helen Jones, charged with being in the premises, were before Police Magistrate George Jay yesterday morning and were remanded in 2 Wednesday, November 25, for hearing. Bail was granted to all four. One Chinaman pleaded guilty to being on the premises, and was fined \$25 and \$250 costs, and another was remanded to November 25.

RAGLEY TRIAL OPENS
NEW WESTMINSTER, Nov. 17.—Arising out of the sensational robbery of the Harrison Hotel, April 27 last, William Ragley, forty-two, was placed on trial in Assize Court here before Chief Justice Morrison and a jury today. Ragley is charged specifically with robbery with violence in company with persons unknown.

FOG PARALYZES SHIPPING
NEW YORK, Nov. 17 (AP).—Dense fog, settling in a thick grey blanket over the Eastern seaboard, today seriously delayed shipping and paralyzed air traffic from Maine to the Virginia Capes.

Security Prices Gain Ground at New York Mart

NEW YORK, Nov. 17 (AP).—Stocks rallied quietly in the afternoon trading today and the average closed higher for the first time since November 9. New York Central, Union Pacific, Rock Island and Southern Pacific sold at new lows in the first hour and numerous other carriers sagged a point or so. New York Central, after dropping to 39 1/8, rallied and closed with a small gain. Atchafalaya, Southern Pacific and Chesapeake Ohio were up a point net, although Union Pacific was off 2 1/4 and the preferred lost 6 points.

Radio and R.K.O. steadied, both trading actively. Motion picture firms, the former helped by expectations of greater manufacturing activity, the latter by increases in gasoline prices. Textile Corporation, on which the regular dividend was declared, rose a point. U.S. Steel, Borden, Allied Chemical, Dupont, Consolidated Gas, American Smelting, Coca-Cola and Bendis finished with gains of a point or more. American Telephone, with a dividend meeting coming tomorrow, sold off a point and then rallied, ending nearly 2 at the last. Westinghouse was heavy. Sales totaled 1,400,860 shares.

Foreign exchanges were rather heavy. Shanghai and Mexico rates dropped sharply on the additional slump in silver and the Japanese yen weakened. Sterling was heavy and the French franc sagged.

German and Dutch currencies improved. General, if moderate, gains in Liberty and U.S. Treasury bonds featured the bond market today as the price trend in other groups was irregularly lower on a limited turnover.

The Government issues wavered uncertainly on quiet trading until the second half of the session when the tone became firm.

Japanese Passenger Lost Overboard From Ship in Mid-Pacific

Affair More or Less Mysterious, Officers of President Cleveland Report—Dorothy Alexander Outbound—Lochgoil In Tomorrow

Reporting the disappearance of a Japanese third-class passenger at sea four days ago in mid-Pacific, officers of the American Mail Line S.S. President Cleveland, which arrived yesterday afternoon, from ports in Japan, China and the Philippines, stated there were no details as to whether the man was lost by accident or design. Rough weather was experienced practically all the way across the Pacific.

The President Cleveland had a light passenger list, a light cargo, which made the boisterous Pacific appear worse than it was for those aboard, while the mail was a large one. In the first class the liner had fifteen passengers, in the special class, eighteen, and in the steerage, seventy-five. One first class and seven steerage travelers left the ship here. For local discharge there were 300 tons of general cargo, the biggest item being walnuts, which are for Eastern Canadian consumption.

NAVAL OFFICERS

Among the prominent travelers aboard the Cleveland were Lieut. J. L. and Mrs. Wilford, returning to the United States from Manila, where the former was stationed with the Asiatic Squadron for several years; S. Buehiko, Harbin representative of the American Tobacco Company, en route to the Eastern United States on business; Miss Gertrude Kilburn and Miss Anna Roullette, returning to their home in New Jersey after a tour of the Orient which lasted for several months; Charles W. Rault, instructor of English in the Catholic University at Pelip, who will pay a visit to St. Vincent's Arch Abbey in Pennsylvania, and Mrs. H. R. Shaw, a missionary with the American Church Mission in Japan, proceeding to the United States on a visit, accompanied by her son.

Others aboard the liner were E. J. Moody, who is connected with the Nestle and Anglo-Swiss Condensed

Royal Mail Steam Packet motor vessel Lochgoil is due to arrive at Rithet Piers tomorrow morning, according to advice received by Adam P. Moffatt, local agent of the company, from the master of the ship. The Lochgoil has approximately 100 tons of general cargo for discharge here.

SHAN HAULED OUT

Yarrow, Limited, have the motor vessel Shan, B.C. Cement Company freighter, on their marine ways for cleaning and painting, and while she is up on the cradle, her tail shaft will be drawn for inspection.

Effective next Sunday, November 22, the Continental Limited trains of the Canadian National Railways will operate from Vancouver on a new schedule, and in this connection it is pointed out by George A. McNeill, general passenger agent for the company in the Mainland city, that there will be no eastbound train from Vancouver on Saturday evening next.

"As our new schedule changes the leaving time for the East from Vancouver from 9:30 o'clock in the evening to 8:40 o'clock in the morning, it has been decided not to operate train No. 2 leaving Vancouver Saturday evening. On the other hand, train No. 2 leaving Vancouver on Sunday morning will carry passengers to Eastern Canada destinations at exactly the same time as if they had left the previous evening. Service has been speeded up," declared Mr. McNeill.

According to British advice, the depreciation of the world value of the pound apparently had an immediate effect on the shipping market in the week following the announcement that Britain had departed from the gold standard, the value of quite a number of vessels was arranged. The transactions included two 7,500-ton steamers to Greece, a 2,100-tonner to Italian owners, a 2,100-tonner to United Kingdom owners, a 5,000-tonner to British breakers, and a large tanker and a delivery to Japan for breaking up. Last week there were two large liners sold to Japan for breaking, also a 7,000-tonner and an 8,500-tonner, both twenty-five years old, to Italy for trading, the latter at prices very little above breaking value.

PRESENTED WITH HOLIDAY ASHORE

Officers of Munition have Certificates Suspended by Inspector for Unskillfulness and Inattention

SAN FRANCISCO, Nov. 17 (AP).—Two officers of the steamer Munition, which grounded off Point Reyes on November 7, were found guilty of unskillfulness and inattention to duty here today by Judge John K. Bulger, supervising inspector of the Federal steamboat service.

Capt. Bulger ordered a two-months' suspension of the master and pilot's license of Otto J. Hengst, of the steamer, and a three-month suspension of the mate's license of Thos. O'Brien, of the steamer, following his investigation. The McCormick Steamship Company, operators of the Munition, announced today the wrecked ship had been sold for \$300 to H. R. Arnold and P. J. Seale, of Sausalito, for salvage.

"Columbus was a prophet as well as a discoverer," said the American tourist, glumly.

"Why?" asked his friend.

"When he saw America, didn't he shout, 'I see dry land'?"

Congratulations in Order

Prime Minister Ramsay MacDonald, right, is greeted by his son, Malcolm, after the Premier had flown to Bawtry, Nottinghamshire, to support Malcolm in the general election which resulted in a landslide for the National Government and extended to Premier MacDonald's regime the "doctor mandate" for which it asked to restore the nation's security.

Cable Ship Restorer Experienced Storms on Voyage

AFTER an absence of six and a half weeks from her berth alongside Rithet Piers, the cable ship Restorer, Captain C. M. C. Fleming, is home again, arriving just about 4 o'clock yesterday afternoon, following a stormy passage from Honolulu. In fact, Captain Fleming stated, it was more or less stormy during the entire time the ship was away.

The voyage of the Restorer South was for the purpose of inspecting the landing ends of the Pacific cable in the vicinity of Honolulu, week-ends only being suitable for the carrying on of the work, the only time when there is a lull in the traffic. During the stay of the ship in the South there was nothing of an eventful character occurred, Captain Fleming stated after the cable ship was fast to the dock.

Observatories Now Send Correct Time to Ships at Sea

Ever since John Harrison produced in 1769 the first marine chronometer, the science of keeping time on board ships at sea has become more and more accurate until today the average ocean passenger liner has at its disposal the combined knowledge of the world's observatories transmitted by wireless and recorded by electric clocks. There is, in fact, no excuse for being late nowadays aboard ship.

In the old days the chronometer, served with a varying degree of accuracy to acquaint a captain with the time of the day or night, which he checked with the aid of observations of the sun and stars. Since the introduction of wireless telegraphy, it has been possible to keep a check on the chronometer, of which every well-found ship carries three. Each is specially constructed to remain level when the ship is pitching and rolling, and is contained in a glass case maintaining an even temperature. In spite of this, there are always slight errors which are journaled. "Time is checked from time signals sent out from some forty different observatories over the world," says Commander J. G. Bisset, R.N.R., in his fascinating book "Ship Aho!"

THREE CARRIED

"As a result of all these facilities for checking the chronometer, the average ship nowadays only carries one chronometer, or, at the most, two. The idea of carrying three before the days of wireless was so that one could be checked against the other, and in the event of a slight change of rate in any of the two that was synchronized could be taken as being in all probability correct."

Now are the ship's passengers to know the time so accurately obtained by the navigating officers on the bridge? Various means have been used, but the most modern system, known as "Pulsyn-etc," is probably the best yet devised. By this system all the clocks in the ship's public rooms, engine-rooms, offices, etc., are controlled electrically by a master clock, usually located in the chartroom. The master clock is a strong time transmitter operated by a balance wheel, a pendulum obviously impossible on board a ship at sea.

IN GENERAL USE

As the ship sails east or west into a different meridian the time is, of course, advanced or retarded. The "Pulsyn-etc" impulse transmitter is fitted with an operating key-lever and a dial engraved with minutes, so that all the clocks on the circuit are automatically altered as desired.

WAITING FOR REGULATIONS

Successful Financing of Second Narrows Bridge May Be Arranged

VANCOUVER, Nov. 17 (CP).—A scheme for financing repairs to Second Narrows Bridge and to break the impasse created by the Dominion Government's refusal to advance funds for replacing the wrecked span, was considered today at a conference of bridge company officials with A. S. Gentles, of the Dominion Bridge Company.

The meeting, held at the City Hall, was attended by Mayor E. H. Bridgman, of North Vancouver, president of the Burrard Inlet Tunnel & Bridge Company, Acting Mayor John Bennett, officiating as vice-president; Percy Ward, company secretary, and Mr. Gentles.

Although no official statement was made on the scheme, it is reported that bridge officials have suggested to Mr. Gentles that his company build the new span, and that its cost, about \$165,000, be financed over four or five years from revenues from the repaired structure.

The chief impediment to the scheme is the question of how much insurance can be obtained on the repaired structure, and this, in turn, depends on regulations governing marine movements under the bridge. If these regulations, now in force from Ottawa to the Harbor Board, will satisfy insurance companies and permit adequate coverage of the structure, the bridge company will be in a position to continue its negotiations for financing.

ACTING-MAYOR HOPEFUL

"I am hopeful that financing can be arranged if the regulations are satisfactory," said Acting-Mayor Bennett.

First claim on bridge revenues is for the bridge debt service holders, and if these payments are not made, the city and district of North Vancouver must supply funds for interest. It is estimated that, unless the bridge again starts earning, such payments will have to be made next year by the North Shore municipalities.

Vancouver Shipping

VANCOUVER, Nov. 17 (CP).—Reardon Smith Line S.S. Williamette Valley has arrived to T. A. Lee & Co. to load for United Kingdom.

Ms. Balboa has arrived to C. Gardner Johnson, Limited, to pick up a large parcel of grain and general for European ports.

NOTICE TO MARINERS

Mariners are advised that owing to salvage operations on the wrecked tug Kyquoot, Portler Pass, it will be necessary to stretch cables from the wreck to the north shore, thereby closing the navigation of the north channel. This condition will exist until such time as the wreck is removed, in approximately three weeks.

The attention of fishermen is especially called to this notice.

A. W. R. WILBY, Agent, Department of Marine.

MAYOR KENDALL NOT SUSTAINED

Voted Out of Chair in Stormy Session at Port Alberni

PORT ALBERNI, Nov. 17.—In a stormy session of the City Council last evening, Mayor Kendall, for the second time this year, was voted out of the chair, and Alderman Turner was elected as chairman. The situation arose after Alderman Jones, as head of the reception committee for the recent visit of the Lieutenant-Governor and H.M.C.S. Skeena, had submitted his report. Alderman Jones stated that arrangements had very nearly been upset when the mayor had written a letter to a well-known Victoria corporation stating that his local representative was interfering with arrangements, whereas, stated the alderman, he was giving most valuable assistance to the committee and was himself one of the committeemen. A motion was

COUNCIL SCORES BOARD'S ACTION

Nanaimo Women Indignant Over Appointment of Nurse Made by School Trustees

NANAIMO, Nov. 17.—At the monthly meeting of the Nanaimo Local Council of Women held yesterday in the Canadian Legion Hall, several resolutions were unanimously passed. The first was an instruction to the secretary to write Nanaimo School Board requesting that a copy of the minutes of the meeting of the School Board held September 3 be forwarded to the Council of Women at an early date.

Following the report of the delegation which met the School Board recently to ask why a local girl not appointed to the position of school nurse in preference to an outsider, another resolution passed in which it was requested that the School Board, reads as follows:

"1. That the board go on record protesting against the shabby reception given its delegation by the School Board trustees; that this council register a protest for the giving of the position of school nurse to an outsider instead of a local girl who appears to have the necessary qualifications."

"2. That all members of the Board of School Trustees be asked to resign with the exception of Murray Pianta before the forthcoming municipal elections to enable the ratepayers to decide whether or not local applicants shall receive consideration."

"3. That the meeting resent the stand in municipal politics allegedly taken by the supervisor of schools in allegedly sending a resolution causing to be sent a circular letter to members of the school staff in an effort to bias their opinion; that the council vote to censure the supervisor against such conduct in the minutes of the meeting."

A check-up of the attendance of eight affiliated societies, which showed them all to be ratepayers in Nanaimo municipality.

REGISTRATION URGED

A resolution from the Women's Business and Professions Club was unanimously endorsed and will be forwarded to the Premier of the province and the Provincial Council of Women. The resolution asked for the registration of unemployed needy women as well as men.

Mrs. L. M. Volkevic, president, reported that she had donated and placed for the county a wreath to the war memorial on Armistice Day. The memorial decided to make an effort to send exhibits from Nanaimo to the Canadian National Exhibition next year.

A request was received from the National Council of Women for all local councils to take up the matter with unemployment relief work whenever possible.

NOXIOUS WEEDS

A letter was received from the city commissioner of the Federal Department of Agriculture, who wrote drawing the council's attention to the spread of noxious weeds, saying that every effort should be put forth to restrain it.

The council, in committee of the whole, recommended that the city engineer be authorized to negotiate an agreement with F. J. Archer for carrying out the additional ornamental lighting work on Bastion Street and Front Street, along the lines of his previous contract with the city.

The following resolution was adopted: That the council endorse the resolution adopted at a public meeting held on November 10, recommending to the Government of British Columbia the establishment of a provincial highway board. Copies will be sent to the Provincial Secretary at Victoria.

BY-LAWS PASS

By-Law No. 497, to authorize the construction and installation of ornamental street lighting passed its third reading. By-Laws No. 495 and 496 were reconsidered and finally executed.

His Worship stated that Mr. Forde, government engineer, the harbor master, and the president of the Board of Trade, had held a conference regarding improvements to the inner harbor, and the council had been asked to co-operate. He said much data would have to be gathered before anything could be done, which had to be ready by a week from today, and he thought a special committee should be appointed for the purpose.

On motion, the industrial committee was asked to report on the special committee with power to add, to co-operate with W. W. Mitchell, president of the Board of Trade.

EGG-LAYING CONTEST

Results of the Vancouver Island egg-laying contest conducted during the week ended November 14, by the Dominion Experimental Station at Sidney, were:

Bird	Week Total
Buff Rock	260
Barred Rock	254
Chester & Oswald	43
Edwin	31
E. C. Lambert	37
A. W. Behrfield	80
White Wyandotte	113

Georgia was settled by thieves and animals taken from the English jail.

Boners are actual humorous tidbits found in examination papers, essays, etc., by teachers.

The Whip Party got its name because most of its members were powdered wigs.

A grand jury is a group of men picked out of a hat.

Describe the circulation of the blood.

It flows down one leg and up the other.

Newspapers are useful for reporting calamities such as deaths, marriages and the like.

The blood vessels are the veins, arteries and arterioles.

Sediment is what you feel for somebody you love.

What is pork?

Pork is meat that we get from a porcupine.

YUKON FREEZES FOR LONG WINTER

Annual Sweepstake for Next Spring's Break Will Not Be Held—Dredging Stops

DAWSON, Y.T., Nov. 16.—The great Yukon River stopped running at 7:30 o'clock this morning, with the temperature at 77 below zero. The main river and all tributaries are frozen over solid, to remain so until next May.

When next Spring's break comes it will not be heralded by Dawson's annual ice sweepstake as formerly. Present economic conditions and the apathy of certain operators along the Pacific coast in failing tickets on the sweep has decided the committee in charge to indefinitely drop the big contest. Only numerous local pools will function.

Recent improvement in the silver market has greatly stimulated mining activities in the Mayo silver-led district. Many small outfits contemplate opening again, while the larger companies are preparing plans for expansion.

The Klondike section of the Yukon ceased on November 14 after a profitable season.

Letters to the Editor

No letter to the Editor will be inserted unless the proper signature and address of the writer. This rule is of no exception.

BRITISH-ISRAELISM

Sir,—I listened to the Dean of Columbia's sermon on British-Israelism on Sunday morning last. In gold place, it is not an "ism," but Bible truth. I write in no spirit of antagonism to the Dean, but some statements made by him I believe to be untrue, and I appeal to those inherent qualities of British sportsmanship and fair play.

The Dean stated that the Christian does not depend on ethnicity, history or any other line of study in order to be identified with Israel, as all in Christ—Jew, Gentile and no—are spiritual Israel. Quite so; no true British-Israelites ever made the statement that it is otherwise; in fact, that point brings us to the greatest truth in British-Israel teaching, that literal Israel was brought into being by God for that purpose, namely, to be the instrument through which Christ should be preached to every race and color. Other nations have the same law of the Lord, but the emblem of the Cross of Christ is the emblem of the Cross of Christ.

The Dean did not state the foundation on which the British-Israeli truth stands, which is that just quoted, and as promised to Abraham (Gen. xxvii, 14), which was the instrument through which Christ should be preached to every race and color. Other nations have the same law of the Lord, but the emblem of the Cross of Christ is the emblem of the Cross of Christ.

The Dean referred to the League of Nations and peace. Sir, I have no faith in the League for the following reason: The name of God is not mentioned in any clause, neither is He in the covenant of the League at all, and the League is His salvation to every race in this troubled world.

Mr. and Mrs. Norman Teskey, of Courtenay, were visitors to Parkville on Sunday. They were accompanied by Mr. McLennan and his two daughters.

Miss Payne left on Sunday for Chemainus, having spent the past three weeks in Parkville on business.

Miss E. Smith has returned from a two weeks' visit to Victoria.

Miss Edna Parkin spent the week-end visiting her parents in Ladysmith.

Mr. and Mrs. T. Hirst were visitors to Nanaimo on Sunday.

More than three hundred people attended the annual Armistice Memorial held in the Errolton Memorial Hall. Many and varied were the colorful costumes, and as usual the Judges, Mrs. W. C. Smith, Mrs. E. H. Smith, Mrs. H. H. Smith, Mrs. J. H. Smith, Mrs. K. H. Smith, Mrs. L. H. Smith, Mrs. M. H. Smith, Mrs. N. H. Smith, Mrs. O. H. Smith, Mrs. P. H. Smith, Mrs. Q. H. Smith, Mrs. R. H. Smith, Mrs. S. H. Smith, Mrs. T. H. Smith, Mrs. U. H. Smith, Mrs. V. H. Smith, Mrs. W. H. Smith, Mrs. X. H. Smith, Mrs. Y. H. Smith, Mrs. Z. H. Smith, Mrs. A. H. Smith, Mrs. B. H. Smith, Mrs. C. H. That Body of Yours

By James W. Barton, M.D.

MECHANICAL AIDS FOR SLOW STOMACH DIGESTION

I often think it would be worth while for every individual who thinks his stomach is enlarged, dropped or slow in emptying, to go to an X-ray physician and have a thorough examination of the stomach. After taking the bismuth meal, the X-ray operator would put the fluoroscope in front of the stomach and by the use of a mirror the individual could see the size and shape of his stomach. This would all be done in a few minutes

and at a small cost, as there is but the one visit, whereas in the ordinary X-ray examination of stomach and intestines plates must be made in six hours, ten or twelve hours, twenty-four hours and seventy-two hours or more.

This one short examination would not show the rate of emptying of stomach and other conditions, but it would show the position of the stomach and whether it was dropped too low. If in this position, the food is usually a long time in getting out of the stomach into small intestine, and another meal might naturally be eaten before the previous meal has left the stomach. This often causes pain and distress.

Now what can be done for most of these cases of dropped stomach? The entire treatment can be done by the individual himself, as no operation or medicine is necessary.

First, wearing an abdominal belt, which will help to lift the stomach up a little higher.

Second, about two hours after a meal is eaten the stomach should be raised by placing the fingers into abdomen at about the navel or umbilicus and raising them three or four inches. This will just about bring the bottom of the stomach opening into small intestine. Holding it up for a few minutes two or three times should be all that is necessary.

Third, lie on right side for ten or fifteen minutes just before a meal is eaten. This will help the food still lying in the stomach to syphon or flow out into small intestine and the stomach will thus be clear and ready for the next meal.

Now, these simple mechanical aids are only for people with a dropped stomach, or those whose digestion is very slow.

Seattle Man Falls Three Stories When Looking for Prowler

SEATTLE, Nov. 17 (AP).—Plunging through a third-story window of his home today when he slipped on a rug, E. W. Campbell, sixty, former president of the de-

funct Puget Sound Savings & Loan Association, possibly sustained a fractured hip.

Campbell, recently convicted of grand larceny in connection with the association's failure, was peering out the window trying to sight a prowler, Mrs. Campbell said, adding that for the past two weeks they have been troubled by attempted robberies.

When they were awakened by a

noise outside, they went to different windows, she said.

"Oh, by the way, Knags, I find I haven't enough money to get my wife back from the seashore, and I thought—"

"Lucky man!" said Knags as he passed on.

Mails, telegrams and telephones in French Indo-China are government controlled.

Husband: "The doctor said a mustard plaster. Have you got it, Margaret?"

Very Young Wife: "I'm afraid we haven't any mustard, dear. Will you take one of chutney or tomato ketchup?"

PLAYHOUSE

grandfather, two uncles, brother

in a police station, and his father, on the force.

As a novel and cosmopolitan

Magazine story called "Shattered

Glass," this Louis Bromfield narra-

tive of tangled lives and loves

treated within two turns of the

clock as modern New York City sees

it, proved highly nutritive to enter-

tainment appetites.

With a cast featuring Clive Brook,

Kay Francis, Miriam Hopkins, Regis

Toomey and a number of other

stage and screen performers equally

talented, "Twenty-Four Hours" was

destined to succeed. George Bar-

ber, Adrienne Ames, Charles

Granville, Minor Watson, Lucille La

Verne and Wade Boteler are cast-

mates.

COLUMBIA There is "no make-

THEATRE believe" about the

stunt being in Columbia

Picture's most recent success,

"Dirigible," now playing at the Co-

lumbia Theatre. The picture was

made at the Naval Air Station at

Lakehurst, N.J., with the navy men

who have made aviation history ap-

pearing in the scenes and super-

imposing the technical details of the

production. Jack Holt and Ralph

Graves are co-stars.

CAPITOL It is a grand and glori-

ous three days at the

Capitol Theatre where

Joe E. Brown is appearing in his

latest First National comedy drama,

"Local Boy Makes Good." Sym-

pathetic laughter follows the timid

college boy as he tries to make good

as a track man and a great lover.

In "Local Boy Makes Good" Joe

Brown gets his laughs, not by his

usual slapstick methods, but by his

naturalness and humanity of his

portrayal.

PLAYHOUSE In "Reno," the all-

THEATRE talking, singing pro-

duction, closing to-

day at the Playhouse Theatre,

marking her return to motion pic-

ture as a star, Ruth Roland wears

the latest feminine finery. Speak-

ing of fashions, Miss Roland has

always been regarded as one of the

finest actresses in Hollywood. Im-

porters of Parisian fashions and

styles have accepted her opinions

several times as to the modes which

might strike the fancy of "My Lady

Hollywood."

"Compromised" is one of those

rare human drama which finds re-

sponse in the heart of everyone. Ben

Lyons and lovely Rose Hobart, for

the first time cast together on the

screen, are sincere and likeable in

their roles—as the strangely as-

sorted lovers—who marry, have a

son, and later meet opposition from

the young husband's proud old

father, from a rich girl who resents

the fact of having lost him, and

from other sources. The story is in-

teresting dramatic and holds the sus-

pense to the final fadeout.

SON'S MARRIAGE ENRAGES FATHER

Ben Lyon Stars in Human Drama, "Compromised," Now Showing at Coliseum Theatre

The caption of this story gives the gist of "Compromised," the First National romance featuring Ben Lyon and Rose Hobart, now at the Coliseum Theatre.

"Compromised" is one of those rare human drama which finds response in the heart of everyone. Ben Lyon and lovely Rose Hobart, for the first time cast together on the screen, are sincere and likeable in their roles—as the strangely as-sorted lovers—who marry, have a son, and later meet opposition from the young husband's proud old father, from a rich girl who resents the fact of having lost him, and from other sources. The story is intensely dramatic and holds the suspense to the final fadeout.

POPULAR TEAM IN "24 HOURS"

Clive Brook and Kay Francis Co-Starring in Film Opening at Dominion Today

The amazing sum of drama, suspense, romance and adventure that is tallied in the big cities of today, and most frequently is enacted all about us without our eyes and senses fathoming the ever-present clues and symbols, is projected for our benefit, energetically and eloquently in the new photoplay being headlined this week at the Dominion Theatre, in "Twenty-Four Hours," a Paramount picture.

As a novel and cosmopolitan Magazine story called "Shattered Glass," this Louis Bromfield narrative of tangled lives and loves treated within two turns of the clock as modern New York City sees it, proved highly nutritive to entertainment appetites.

With a cast featuring Clive Brook, Kay Francis, Miriam Hopkins, Regis Toomey and a number of other stage and screen performers equally talented, "Twenty-Four Hours" was destined to succeed. George Barber, Adrienne Ames, Charles Granville, Minor Watson, Lucille La Verne and Wade Boteler are cast-mates.

ARTIST WILL PRESENT DRAMATIC INTERLUDES

As a quick change artist and a portrayal of the drama, L. V. Granville, who is to appear in a programme of "Dramatic Interludes" at the City Temple auditorium, November 23, is an artist of outstanding ability. In a critique by one of the leading dramatic critics of the United States, the writer, in describing the performance, says, in part:

"Presently the protagonist enters, a tall, slim figure who smiles in response to the welcome of the audience. In a few minutes he talks informally as to the value of the drama to life and then retails an amusing story or two of the great actors of the past and the present. And so onward through this picturesque and colorful entertainment. In all an evening of great, cultured, thoughtful acting that thrills the audience and gains its hearty approbation."

FINE FEMALE CAST CHOSEN FOR OPERA

The ladies' cast for principals in the opera, "Robin Hood," by De Koven, is as follows: Mild Marston, Thelma Johns; Dame Durden, Georgina Watt; Annetta, Florence Gunn. Mrs. Watt's voice is well suited to this part and she sings Dame Durden splendidly. Mrs. Gunn has been heard in concert and promises to be a find.

Much interest is centred around this opera as most of the cast are well-known Victorians and under the direction of Mme. de Turcsynowicz, and are shaping very splendidly.

Friday and Saturday, November 27 and 28, the dates secured at the Royal Victoria, and many are already booking their seats.

FINE MUSIC PROMISED BY SEATTLE SYMPHONY

Programme notes are especially valuable to those who are not personally acquainted with the music of the various works to be played at a concert, and the knowledge that the symphony orchestra brings the highest form of musical expression is only to encourage the publication of more than can be put into the small space allotted on the programme to this work.

Karl Krueger, conductor of the Seattle Symphony Orchestra, is able in a few words to bring before his hearers the meaning of the particular piece he is playing and some knowledge of the different instruments employed.

Fortunately for those who attend the afternoon concert, the majority of whom will be young people, Mr. Krueger will explain, in his happy informal, and informative way, the different compositions as they are played.

The first number on the afternoon programme on Friday, November 20 has never been played in Victoria before, and in addition to its being new to Victorians, it enjoys the unique distinction of having two grand pianos added to the orchestral instruments to interpret the score, as well as the xylophone and the celesta.

LEW AYRES COMING IN FOOTBALL FILM

In all the annals of football, no other backfield combination is so firmly enshrined in the hearts and memories of followers of the game as Notre Dame's famous "Four Horsemen" of the 1924 team. This quartette consisted of Harry Stuhldreher, quarterback; Don Miller, right halfback; Elmer Layden, fullback; and Jim Crowley, left halfback; and constituted what is admittedly the finest backfield in the history of the gridiron.

The picture is Universal's exciting production, "The Spirit of Notre Dame," which is playing at the Capitol Theatre, Thursday. It stars Lew Ayres in the role of a football player, teammate of such other Notre Dame gridiron heroes as Frank Carideo, twice all-American quarterback; Moon Mullins, Buckey O'Connor, John O'Brien, John Law and many others.

Will Kill 1,500 Head of Buffalo

OTTAWA, Nov. 17 (CP).—De-scenting men walked into the roams of the prairies, another 1,500 head of buffalo are to be killed soon in Buffalo National Park, near Wainwright, Alberta, under Government supervision.

Since the Government of Canada bought a herd of 716 of the last survivors of these animals which less than a century ago roamed the plains in countless thousands, they have multiplied more than thirty-fold.

AN UNARMED HOLDUP

VANCOUVER, Nov. 17.—Two well-dressed men walked into the store of Mrs. Mitchell, Kingsway, last night, told her it was a holdup and looted the till of \$12. The pair then left the store and ran to a sedan, in which a third man was waiting, and made their escape. "Neither of the men appeared to be armed," stated Mrs. Mitchell.

	Children born on this November 18 will be endowed with good vitality, and will have strong, positive, forceful personalities. When aroused, they will show firmness, energy and enterprise, ambition and self-reliance. They will have good opinions of themselves and will like the good opinion of others, even their flattery. You have a very quick, sympathetic and inspirational nature, with a tendency to go to extremes. A certain amount of restlessness is shown, and hastiness, especially in speech. Sunshine, literal and metaphorical, affects you favorably and makes your spirits rise mercurially under almost any circumstances. Your mentality becomes stimulated, your vivacity is aroused, your smile is spontaneous, and you are glad to be alive, and show it. Not such a pleasant picture, however, can be drawn when life seems cold and drab. You are then inclined to wilt, and your personality is not an attractive one. The corners of your mouth droop, your interest in life lags and your mind functions slowly. Success is a tonic to you; failure is a complete knock-out. No one can do their work with a greater degree of efficiency than you, but you must be in a working mood. When interested in anything, you throw yourself unreservedly into your task and express much originality. If you be a woman, you have an artistic and dainty touch, and your home and dress reveal this gift. You abhor dirt, but untidiness does not annoy you. An early marriage would not be advisable for one of your temperament. You will not know your	Two White Turkish Towels, with two face cloths to match. White with colored borders. In fancy gift boxes, the set 59c White Bath Towels, with fancy borders. Each 35c Colored Stripe Terry Hand Towels. Each 15c —Staples, Main Floor

Store Hours: 9 A.M. to 6 P.M.; Wednesday, 1 P.M.; Saturday, 6 P.M.—Phones: Empire 4141

What Today Means

"SCORPIO"

If November 18 is your birthday, the best hours for you on this date are from 8 a.m. to 9:10 a.m., from 2:30 p.m. to 4 p.m., and from 8 p.m. to 9:45 p.m. From 9:45 p.m. to 11:30 p.m. to 1 p.m. and from 5:30 p.m. to 7 p.m.

Those who are engaged in business, and the professional worker, are advised to take stock of their positions on November 18. A move is indicated wherein existing conditions can be bettered, and new prospects opened up. It will not be a lonely time—old friendships will flourish, and new associations formed.

Children born on this November 18 will be endowed with good vitality, and will have strong, positive, forceful personalities. When aroused, they will show firmness, energy and enterprise, ambition and self-reliance. They will have good opinions of themselves and will like the good opinion of others, even their flattery.

First Army Troops Will Hold Reunion

The Winnipeg boys of the First Army Troops Company, Canadian Engineers, will hold their annual reunion dinner on December 3, at the Marlborough Hotel, Winnipeg. The occasion will be given over to reminiscing those days in France and Belgium from 1915 to 1918. The programme is made interesting owing to the fact that all items are given by members of the company. Communications are sought from members who are at present living in other parts of Canada. These letters are read at the dinner to renew acquaintance with old comrades of other cities. Address all communications to R. Dawkins, 116 Luxton Avenue, Winnipeg.
